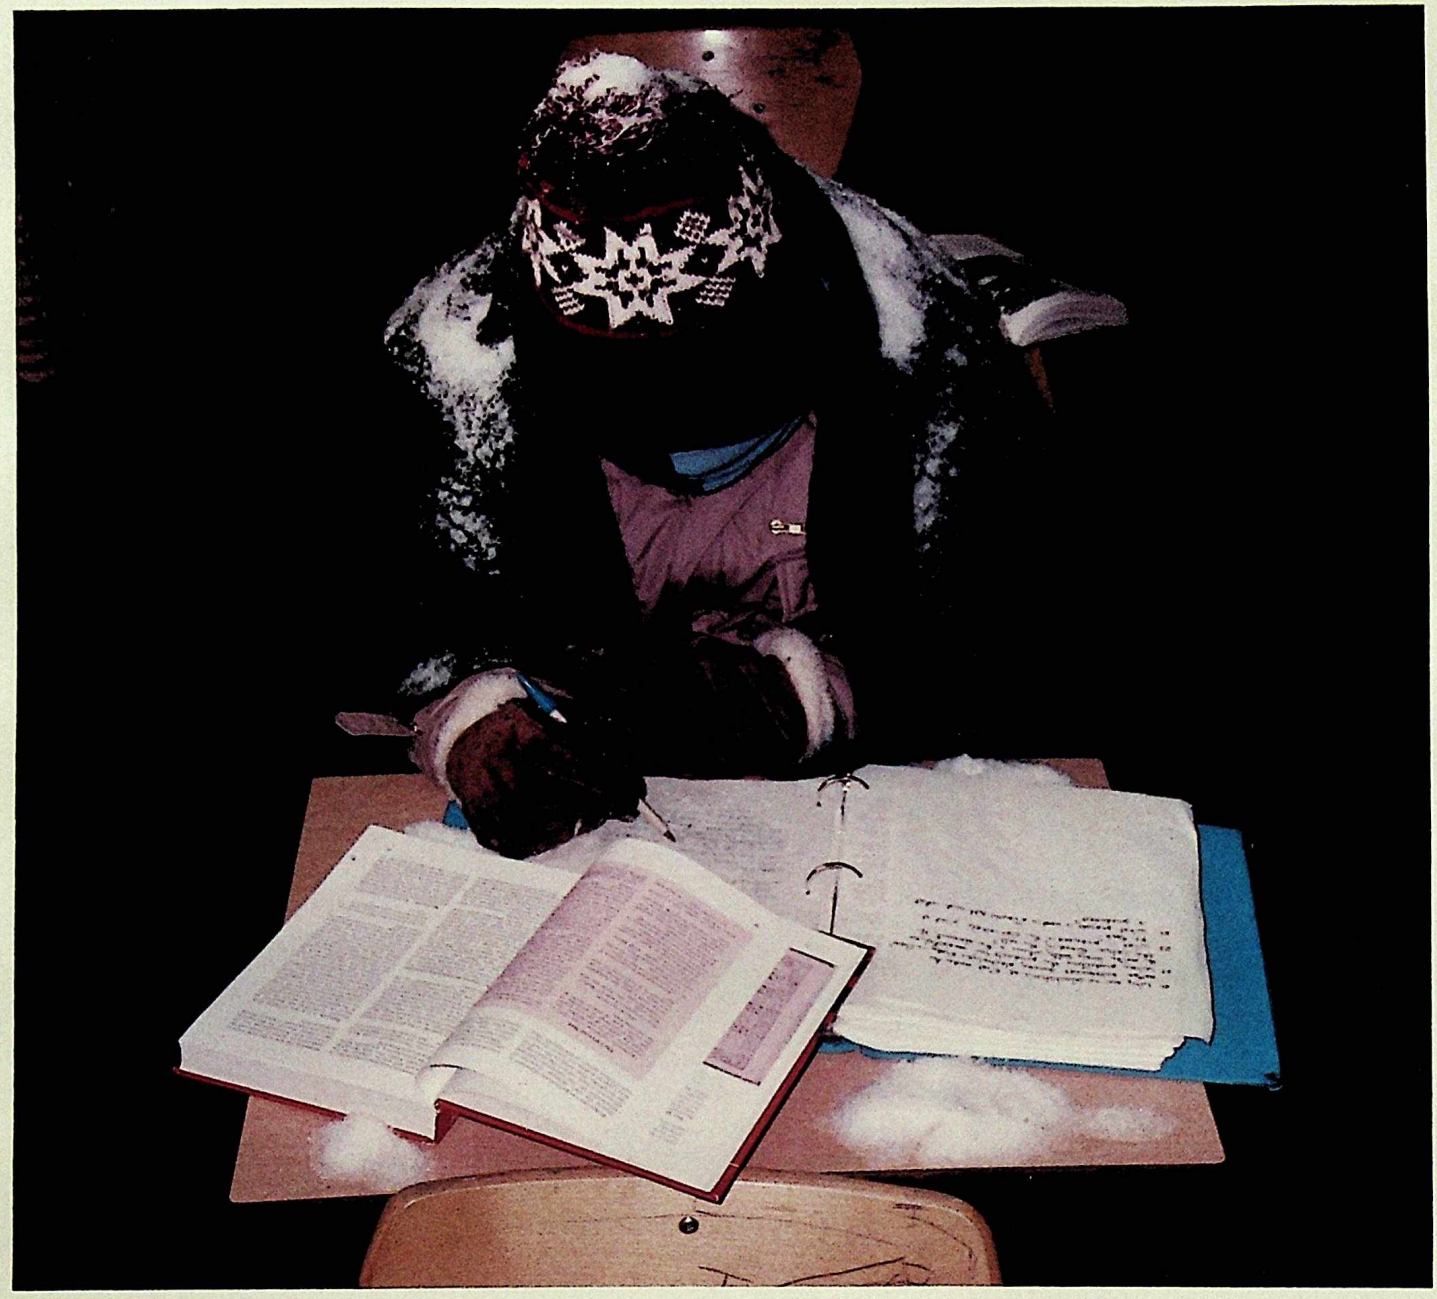
MCNALLY COMPOSITE HIGH SCHOOL
8440 - 105 Avenue
Edmonton, Alberta
Volume XXI

Can you relate to this?



Do you have to dress like this to keep warm in class? Are you bothered by cold drafts while writing exams? Does the ink in your pen stop flowing because it's frozen? The new portable heater from McThermal © Heater Inc. is the latest trend in school survival gear. It comes complete with eight temperature settings, a shock-proof exterior (in case it falls off your desk), and wheels (for easy transport between classes). Additional features include: a convenient size to fit all lockers, a second function to warm your lunch, and a tilting capacity to toast your toes or put a nice rosy glow of warmth in your cheeks.

All this can be yours for only $24.99!

If you order before final exams you will also receive an authentic 20″ × 28″ full color McThermal © Heater poster at no extra charge!!!

Call now at 421-1111

Our operators are standing by!
All major credit cards accepted

Add $2.50 for postage and handling.
Batteries are not included.

YOUR YEARLY YEARBOOK

COVER: Spotlight on McNally Composite High School

98

As McNally adds another year to its past, 22 years of history are examined. A look at the latest in fashion around school.

SPORTS: The McNally Tigers roared into action

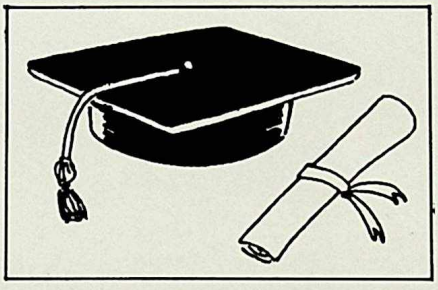
48

Sports were a major attraction this year due in part to many successful teams. Starting with top-notch football and cross-country seasons and ending the year with a tremendous track team, there was never a dull moment.

GRAD: The 1986 grads forge ahead

124

After three long years of hard work and good times, this year's grade twelves are moving on to bigger and better things. Each individual will take memories of great friends and unforgettable moments with them in their future endeavors. Their high school years will form the foundation for facing the challenges that lie ahead.



20
Staff
A tough and talented staff have managed, once again, to survive the trials and tribulations provided by the student body.

26
Semester 1 Activities
McNally students participated in a wide variety of activities from Welcome Days and the Fourth Annual Grande Prix to Air Guitar and the McGrammy Awards.

38
Grade 10's
The grind begins! Over 300 students enter the new dimensions of high school.

76
Grade 11's
Halfway through their high school years, this unique group of students are gaining momentum for their final year at McNally.

18 Messages
106 School Colours
113 Milestones
123 People
170 Awards Board

86
Clubs
Involvement in any of McNally's clubs provided that extra something to make the 1985-86 school year one of fulfillment.

114
Semester 2 Activities
Student's display their Tiger spirit through participation in various activities put on by the Student's Union and Grad Council.

162
Music
It has been another successful year for the many talented music students at McNally.

166
Drama
The McNally drama students act their way through another playful year.

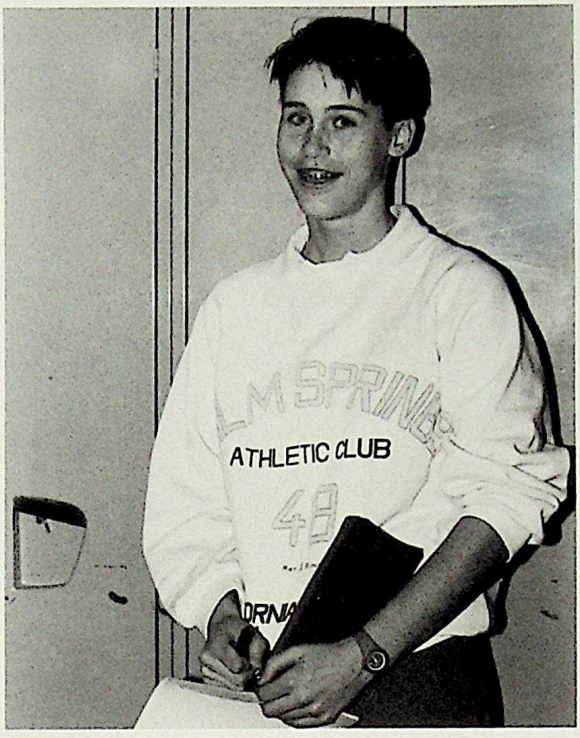
Editor's Message

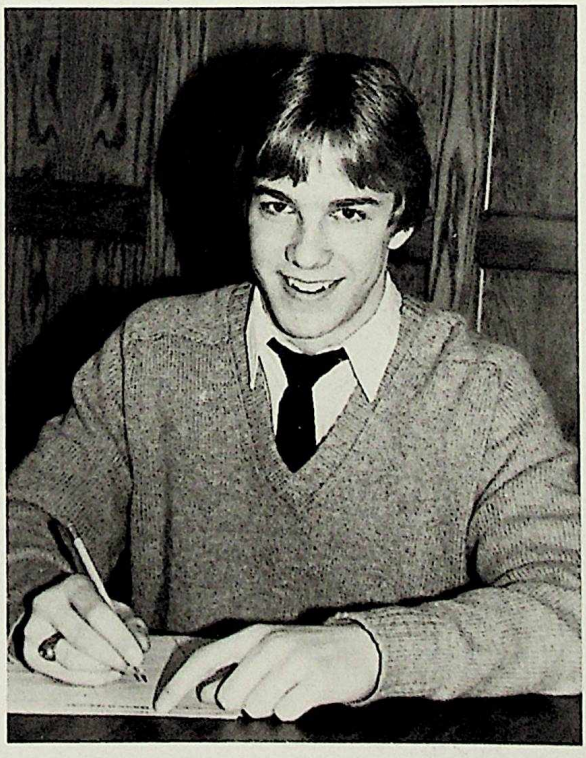


Long hours of planning, writing, typing, picture-taking — generally speaking, work, have gone into the 1986 editon of Trend. Thanks to a small but dedicated staff, June distribution was made possible for the second year in a row. Many thanks to Miss Marika and Mr. A. Smith for all of their time and effort, we could not have done it without them.

Producing the yearbook was a thoroughly enjoyable experience. Thinking of new and innovative ideas to incorporate into the yearbook to make it just a little bit different was a continual challenge. It is my hope that Trend '86 will be treasured by all, now and in years to come.

Nancy Leversedge

President's Message



Since 1964, McNally has changed a great deal. It has different students, different teachers, and a bigger building. One thing, however, has not changed; McNally is still the best school in the city. This year, every individual in some way contributed to school life. Spirit became evident and, most of all, people began to care about the school and the people going here. As a result, the year flew by. Activities came and went, memories were formed, and new friendships were forged.

I have greatly enjoyed serving on the Student Council Executive this year, and I will always be indebted to the members of the executive and our advisors, Mr. McWilliam and Mr. Johnston, for their work and enthusiasm which rendered the year much more enjoyable for all. I hope that everyone who was a part of McNally will continue to participate and, most of all, continue to care and remember with fondness 1985-86 at McNally.

David Tupper

Principal's Message

Due to my move to a new assignment with the Edmonton Public Schools in January, 1986, McNally experienced the unusual occurrence of having had two principals this year.

My message this year will be to express the sincere appreciation I feel toward the McNally school community for enabling me to experience immense personal satisfaction for being associated with an outstanding group of people for five and one-half years.

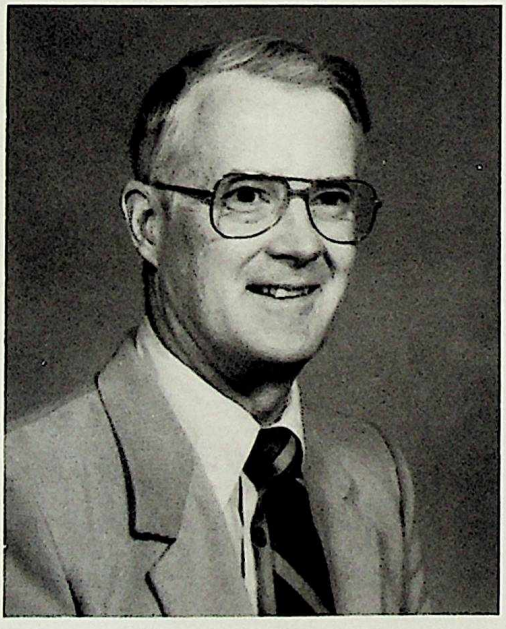
The outstanding achievements of McNally students in academics and co-curricular activities have clearly distinguished McNally as one of the finest high schools to be found. The demeanor and dedication to high ideals displayed by McNally students makes serving them one of lifes great pleasures.

The endless hours spent by McNally staff in preparation, planning, coaching, supervising, advising and counselling have enabled students to achieve the level of excellence they so justly deserve.

The support, interest, and high expectations of McNally parents have contributed to a climate where success can be assured.

If I should happen to return to McNally in September, 1986, I will consider myself very fortunate. If I do not return I will be content in the conviction that McNally will continue to be a beacon that other schools will attempt to emulate for years to come.

Mr. Curtis Lund



Welcome to McNally! That expression took on a new meaning for me this year when I was appointed Acting Principal of our school.

Having worked with Mr. Lund for a year and a half, I was certainly aware of the fine traditions in academics and co-curricular activities that he had put into place in McNally. I am committed to do all I can to retain and build upon those fine traditions. Certainly, my task is made easier because of the efforts of our excellent student body and staff. Everyone strives to live up to the school motto: "Nihil Sed Optimum" (Nothing But The Best) and to the concept that each individual student at McNally is our reason for existence.

I wish Mr. Lund well in his new position and will dedicate myself to doing all I can to keep McNally in the forefront of education in Edmonton.

Semester 1 Activities

Registration

After two carefree months of summer, McNally students and staff made their way back to our lonely school building which had been silent and forgotten all that time . . . Registration provided the opportunity for new and returning students to get together and reflect on the upcoming fun and frustrations of high school life. Some were more eager than others to get back to the confines of our hallowed school. These would have been, of course, the grade twelves plotting gleefully their course of action against all the lesser mortals, namely the grade tens and elevens. But throughout registration days life for most McNallyites was uneventful. This would not last long however. Little did anyone realize what the Student Council had planned for everyone — grade twelves included . . .

Welcome Activities

. . . A strong cold wind couldn't stop the equally strong showing by McNally students during this year's version of Welcome Days held on Wednesday September 11th. The activities consisted of a Rootbeer Chug-a-lug, which proved to be rather messy, a tug-o-war, an orange pass that was both funny and embarrassing, a 40-legged race (this one really tripped along), a pillow fight and the infamous dunk tank. Without question Mr. Skoreyko was our "best sport", for he was forced to endure countless dunkings at the hands of Mr. Buchynski, Mr. Kunyk, Mr. Dufresne (?) and numerous students. Thanks to everyone who helped and to all those who participated to make this event such a success.

Grand Prix

On September 25, 1985, the staff and students of McNally escaped the confines of the school and entered fearlessly into the streets. Armed only with helmets (and ice cream buckets), gloves, coveralls and tiny three-wheeled vehicles, they enthusiastically set out for the race of the year! Amidst jeers and cheers, the drivers courageously drove, dragged and clawed their way around the student parking lot of McNally. The eventual winners of the event were:

1) Mr. Sware's Breakers
2) Mr. Slevinsky's S-car-goes
3) Miss Marika's Trinomwheels

Toga Dance

Students donned all kinds of sheets for the Toga Dance on October 18th. While the majority of the togas were made from the typical bedsheet, others appeared to be made of a great-grandmother's curtains. Animal lovers, on the other hand brought their favourite pets, such as Snoopy, and Tiger, to enjoy this premiere event. The words "Dancing in the Sheets", "Toga, Toga!" and "Its all Greek to me" were upon many lips. It is hoped this fun activity will become an annual event at McNally.

Record Setting Day

The purpose of this day, which in itself set a record for school spirit, was to set records previously unheard of. The challenge was to leap 250 people without knocking off their heads, to keep one's feathers in the chicken dance and to not lose one's tail in the bunny hop. The campaign of the Student's Union to build Tiger Pride had record setting success for it is believed that the Apathy Club has shrivelled in size as a direct result. The hope is to sustain this strength in school spirit throughout the year.

T-shirt and Locker Day

Several days of the year are set aside for special events and themes. Two such days early in the first semester were "T-shirt Day" and "Locker Decorating Day". Although the participation was not as great as expected, those who took part made an excellent display. Both trendiness and individuality could be seen everywhere. T-shirts ranged from "Miami Vice" to homemade originals. Locker decorating trends included such extremes as men in underwear and prison scenes. Students enjoyed themselves and a strong atmosphere of tiger spirit surrounded the school!

Halloween

On October 31, 1985 many students of McNally Composite High School underwent a metamorphosis, temporarily transforming themselves into creatures of the imagination. Legless beggars rolled through the halls; women warriors created fear amongst classmates; nuns roamed about blessing the halls of the school; clowns brightened the hallways with their col-

orful suits; Karate Kids chopped their way to classes; Hare Khrishnas begged money off the teachers to pay for next week's supply of gas for transportation to school; and many other indescribables were seen. At lunch these McNally creatures performed their witchly rituals at the Halloween dance. Finally, to finish off their Halloween Day they scrambled from classroom to classroom asking for candy treats to fill their pots for their witches brew!

Pie–In–The–Face

On December 4th, 1985 the second annual Pie-in-the-Face Contest was held at McNally with the winning student and teacher each receiving their just desserts! For one month students and staff contributed money to fill ten tin cans. Each can represented a teacher or student and the winners were those who received the most money in their can. The competition was fierce and many people testified to having seen the contestants stuffing each others cans as the contest drew to a close. This year's student recipient was Phil Newman who had a narrow victory over Nancy Leversedge. Mr. Skoreyko and Mr. Repchuk battled it out for the teachers with Mr. Skoreyko emerging as the winner. An added bonus for the crowd was the witnessing of Miss Marika's revenge on the defenseless Mr. Skoreyko after he had previously played a practical joke on her. With the memories and the whip cream of the first pie still lingering, Miss Marika delivered a second pie to her helpless victim. All in all 126 dollars were raised for the Northern Alberta Children's Hospital. Thanks to all those who participated and to those who contributed money to this worthy cause.

Air Band

Welcome backstage to the 1985 McNally Air Band Contest. The crowds are out of their seats!! The judges for this annual competition are Miss Smith, Miss Carter, Miss Marika, and Mr. Skoreyko. Miss Marika lets out a nervous giggle, Mr. Skoreyko a hardy har har. The M.C.'s, Phil Newman and Shannon Zwicker, can no longer control the crowd; the sound system is ready; the action begins. Whitney Houston receives mass audience participation, so much that towards the end she is out sung by them. The Senior Football Team had the girls swooning with their rendition of "Macho Man". Following the performances of the many talented participants, the judges cast their secret ballots. The winners are the maaavalas Electric Popsicles with "You Look Marvelous" and the Beatles classic, "She Loves Me", mouthed by The Four Skins comes second. And last but not least, The Ripoffs come in a close third with their performance of "Out of Touch". This successful event was a vastly entertaining break for the students and staff alike. Thanks to all the judges, performers, and spectators.

Pancake Breakfast

The annual Pancake Breakfast was held on December 20th. The menu consisted of sausages, pancakes, orange juice, and coffee. This year's guest servers were: Colleen Springer, former McNally Student Council president and current Miss Edmonton Eskimo; Dan Bass, a middle linebacker for the Eskimos; Blake Dermott, an offensive lineman for the Eskimos; and Al Hiebert, local MLA. McNally teachers were the cooks. The students, parents, and staff enjoyed themselves immensely as per usual. The band played Christmas carols and Tigger awards were presented. The two deserving recipients were Mr. Skoreyko and Miss Marika. This entertaining event was also attended by Santa Claus and his reindeer. Even Rudolph, the famous red-nosed reindeer himself, made an appearance. Thanks to Grad Council for all their hard work in organizing this event and to all those who attended.

Grade 10's/Local News

August 29, 1985

The day had finally come for the grade tens to register. Former McNally students had been planning and stocking up (on shaving cream) for months, just waiting for this day. Most of the grade tens, however, arrived at the school unfroshed. Their condition upon returning home was, of course, a different story. Many frightened and confused people walked into the small gym that day to pay their fees and get their pictures taken. They met their homeroom teachers, who dictated all of the do's and don'ts to them before handing them each a slip of paper from which they were to decipher their time tables. It is believed that each and every grade ten student in attendance on that dreaded day of registration actually lived through the experience.

On September 3, 1985, these same grade ten students appeared at McNally once again but this time to attend classes. This group of people was very identifiable: they could be seen walking down the hallways looking at each and every number on the classroom doors attempting to locate the right one. After about a week, all of the new faces became used to everyday life at McNally. Strangely enough, these same grade tens would be preparing for the frosh of the new grade tens the following year.

September 6, 1985

The last Via-Rail Edmonton Calgary dayliner ran.

September 10, 1985

Phase III of West Edmonton Mall opens, featuring 300 new retail stores, four submarines, dolphins and sharks, a miniature replica of the famed Pebble Beach Golf Course, and a replica of Christopher Columbus's ship, Santa Maria.

September 11, 1985

The McNally Student's Union presents Welcome Days during period nine.

September 13, 1985

The first dance of the year, the Welcome Dance, is held at McNally.

September 21, 1985

Colleen Springer, a former McNally student, is crowned Miss Edmonton Eskimo.

September 22, 1985

70 teenagers were injured while attending the Platinum Blonde Concert at the Convention Centre.

September 25, 1985

Vandals smashed their way through LaPerle Elementary School, causing $30,000 damage.

September 25, 1985

46 year-old singer, Tina Turner, entertains 15,000 fans at the Northlands Coliseum following John Parr's opening act.

September 25, 1985

The annual Grand Prix tricycle race is held in the McNally student's parking lot.

October 16, 1985

During period nine, a Record Setting Day is held, with overwhelming participation on the part of the students.

October 17, 1985

Triple Five Corporation officially opens its $33 million expansion of Westmount Mall, which will have 60 stores compared to its previous 52.

October 18, 1985

McNally students attend the Toga Dance.

October 31, 1985

It was reported that the "cage" used as sleeping quarters for a handicapped boy had been approved by social services — the boy was removed from his foster home on October 28.

October 31, 1985

Students of McNally come to school dressed in various Halloween costumes and then attended the dance at noon.

November 6, 1985

Prime Minister Brian Mulroney visits Edmonton to turn sod at a ceremony for Edmonton's Canada Place complex.

November 12, 1985

The second Edmontonian and twelfth Albertan dies of AIDS.

November 20, 1985

McNally students cram into the

small gym to see the Air Band Contest.

December 4, 1985

Phil Newman and Mr. Skoreyko each get a pie in their face for winning the pie-in-the-face contest.

December 11, 1985

Don Getty, premier since Oct. 13, wins a seat in Edmonton Whitemud.

December 17, 1985

Hospitals Minister Dave Russell announces that planning for a children's hospital will begin in two months.

December 20, 1985

The McNally Senior Class hosts their annual pancake breakfast from 6:30-9:00 a.m.

December 22, 1985

An earth tremor shakes the Edmonton area in addition to the interior of British Columbia, Alberta and the Northwest Territories.

January 1, 1986

The New Year's babies came one minute after midnight to Edmonton's Robert and Norma Brebber who had twins, Megan and Erin, eight minutes apart, just before the New Year's twins (two boys) are born in Lethbridge.

January 8, 1986

The teachers and students of McNally are presented with a life-size version of the school mascot.

January 12, 1986

20 year-old Brenda McClenaghan goes missing; she was last seen leaving the Convention Inn Hotel at 1:30 a.m.

January 13, 1986

Alberta Treasurer Lou Hyndman announced that he will not be running in the next provincial election. Hyndman is the ninth of 73 cabinet ministers to announce their resignation.

January 14, 1986

City Council voted against building a $50,000 ice sculpture, "Thor", in Churchill square after receiving more than 800 phone calls from protesting Edmontonians.

January 17, 1986

Mr. Lund leaves McNally to become an associate superintendent.

January 17, 1986

Brenda McClenaghan's hairstyling classmates of NAIT engage in a hair Cut-A-Thon, raising $2206 to go to Crime-Stoppers — in aid of the search for Brenda.

January 21, 1986

Education Minister Dave King announced that starting September 1987, high school students will receive education on money management. A new ethics course for junior high students will also be implemented in the fall of 1987. The passing mark will be raised from 40 to 50 percent and a new general science course will be offered to grade ten students beginning in 1988.

January 26, 1986

The body of a woman found in the east end of Edmonton was identified as that of Brenda McClenghan, who had been missing since January 12.

January 27-30, 1986

Semester 1 mid-term and final exams take place at McNally.

February 13, 1986

Edmonton Oiler's Dave Hunter will appear in court to appeal his four month jail sentence he previously received for impaired driving.

February 14, 1986

Students of McNally are matched up with their date for the Valentine's Day dance through a computer service.

Sports

Junior Girls' Volleyball

The Junior Girls' Volleyball Team had an extremely successful season this year, one of their best ever, in the first round of regular season play, they lost only one match and finished in second place. In the second round, the girls fared even better and easily made the premier division playoffs. The girls lost out before they could reach the finals, but represented McNally with such skill and excellence that their season could only be termed an overwhelming success. The junior girls also fared well in tournament play, finishing extremely highly in every tournament. Thanks go to Ms. Davidson and the girls for bringing honor and recognition to the Tigers in 1985.

Junior Boys' Volleyball

The Junior Boys' Volleyball Team had a good season this year. The boys improved with every game, and honed their skills. Cooperation was increasingly evident as the season progressed and more games were played. The team members came from a variety of junior highs such as Hardisty, Strathearn, Gibbons, and Dan Knott, yet were a truly cohesive group by the end of the season. On Mondays and Wednesdays, the juniors could almost always be found representing McNally with much vigor. Congratulations to the Junior Boys' Volleyball Team and their coach, Mr. Johnston, for their efforts this season.

Senior Girls' Volleyball

The Senior Girls' Volleyball Team continued the winning tradition that has become as much a part of McNally as the Tiger. In five of the last six years, the senior girls have advanced to the city finals, and this year was no exception. The Tigers advanced to the city finals, but lost narrowly to their arch-rivals, the Harry Ainlay Titans. Since the girls were second in the city, they advanced to the provincial championships. There, the girls placed fourth over all. The Senior Girls' Volleyball Team also did extremely well at the various tournaments this season, bringing back many trophies and medals. Miss Cruden and the girls again provided the students and teachers of McNally with a team that was "Nothing But the Best".

Senior Boys' Volleyball

The Senior Boys' Volleyball Team, led by Mr. Repchuk, provided a great deal of entertainment to the student body with both their play and their style. The guys added class to the pep rallies with their brilliantly designed shorts, and carried this style to the volleyball courts where the seniors proved to be a very classy team. The Senior Boys' Volleyball Team was in the second division this year, but continually improved and demonstrated great potential. The guys finished the season with great memories of both the team spirit and the games of 1985.

Junior Cheerleading

This year McNally once again had a good Jr. Cheerleading squad. All the girls provided that extra something at pep rallies and sports events. All year long this dedicated group worked hard to perfect their routines and promote school spirit. Jennifer Saville coached this year's team and her efforts as well as the group's resulted in a successful season.

Senior Cheerleading

The Sr. Cheerleaders had another successful season in the 1985-86 school year. Despite the temporary mid-season departure of their coach Ms. Hampel the girls carried on. They spent countless hours practicing which resulted in spectacular performances at games and pep rallies. This year's senior squad helped make 1985-86 at McNally unforgettable.

Senior Football

The big story of 1985 in Edmonton senior football was the McNally Tigers. The Tigers improved from seventh place in 1984 to third place in 1985. In achieving their record of 4 wins and 2 losses, the Tigers became a team in the true sense of the word — a team exhibiting the qualities of heart, hit, and hustle.

Football is a game requiring the utmost dedication of mind and body. There is pain in the hitting, pain in the conditioning, yet every Tiger this season made that committment. In the three month season, the Tigers developed a close friendship with coaches and players. Fans came to the games in record numbers, and football became fun at McNally again.

When the season ended in the playoffs, there were tears from everyone who had been a part of the team; for the special experience of senior football, which for many players had ended. The Tigers would like to thank all their fans, and especially their coaches and trainers for the 1985 season.

Junior Football

The Jr. Football team had another extremely successful season this year. For the first time, junior football was divided into Northern and Southern divisions. The top two teams from each division would then compete in the playoffs. Our Tigers won six of their seven regular season games. They beat Jasper Place, then lost to Harry Ainlay, and then beat Austin O'Brien, Strathcona, Queen Elizabeth, Bonnie Doon, and St. Francix Xavier. In the playoffs the junior Tigers lost to O'Leary on a cold, miserable day. This season was one of the most successful for the junior Tigers, and left great promise for the upcoming years. Thanks to the coaches for all their time and effort, and to the fans for their support.

Cross-country Running

Although this year's cross-country running team was very limited in size, they had a relatively successful season. The twelve runners had the opportunity to run in approximately six meets including the city final and provincial championship.As an added bonus, several members of the

McNally team competed in the CAHPER meet at Hawrelak Park, beating Scona for the first and last time during the season with a placing of fifth overall. In the city final meet, four McNally runners placed in the top twelve in their category, thereby qualifying for the provincial championship. These athletes were: Nancy Leversedge — second, Craig Decoursey — seventh, Greg Mossman — ninth, and Robert Carstensen — tenth. Overall, the team had an enjoyable season and everyone gained confidence in racing as time progressed.

Intramurals

There were not many intramual activities for students to take part in this year, but the participation in the events that did exist was phenomenal. Many students and teachers were seen in the gym at noon hour playing volleyball and team handball.

Girls' Soccer

With a new coach, Miss Cruden, the Girls' Soccer Team has high hopes of doing well this season. Due to early Yearbook distribution, the team photo will appear in the Yearbook Supplement.

Boys' Soccer

There were more boys trying out for the soccer team this year than in the past. Dr. Salmon, coach of the senior team and Mr. Wood, coach of the junior team, hope this enthusiasm leads to a successful season. Their coach, Dr. Salmon, played on an Edmonton team which competed in Rio de Janero, Brazil. The team lost in the finals to a team from France — made up of professionals (according to Dr. Salmon). But, is the league ready for Dr. Salmon's soccer strategy learned in Rio at the end of March?

Track & Field

At the commencement of the track season, it was apparent that McNally would have a high quality team although a relatively small one. For the first time, several members of the Tiger track and field team were members of track clubs (and therefore train year-round). Coaches are presently working hard to make this season an extremely successful one. Results of their efforts can be seen in the yearbook supplement.

Swim Team

McNally's 19 member swim team, although small, competed well with the other larger teams city-wide. Practices were held three times a week for a period of about six months, October to March. During this time span, all the swimmers improved a great deal. At the city final meet, the team placed sixth overall. Tim Chung placed first and set a new city record in the 50 metre breast stroke. Many other team members ranked among the top swimmers in the city as well. Many thanks to the three coaches, Grant Andruchow, Glenda Awid and Randy Whillier for their endless hours spent at the pool.

Badminton Team

The badminton team, coached by Mrs. Dickie was fairly healthy in numbers this year. Since the beginning of the season, team members gained new skills and knowledge about their game. Before winding up their season, the Badminton team brought home the trophy from the Harry Ainlay Tournament, which was held in early April.

Curling Team

The Junior Curling team had an excellent season and won the city conference in their section.

Similarly, the Senior team was very successful in their season. They made it to the semi-finals in the cities, but they were unfortunately defeated.

Both teams were coached by Mr. Chrusch, with practices going every Monday and Wednesday at the Sportex. Congratulations to both teams for their tremendous accomplishments.

Junior Girls' Basketball

With a large number of grade ten students playing for the Junior Girls' Basketball Team, Ms. Smyth aided by Mr. Repchuk coached the team through a great season. The girls remained undefeated for quite some time, and by the end of the regular season, they had accumulated only one loss. In the playoffs, the team advanced to the semi-finals, but lost to Bonnie Doon.

Junior Boys' Basketball

Like the senior team, the juniors had a relatively average season, as they too lost out in the first round of playoffs. Coached by Mr. Kunyk, the team practiced hard in an attempt to achieve their goals.

Senior Girls' Basketball

The Senior Girls' Basketball team had a lot of heart even though they lacked height. Injuries were a common occurence with over half the team being out at one point or another. This caused the team to pull together and they had a successful season despite the frequent shortages of players. A special congratulations goes to Jennifer Morrison who was selected for the city all-star team. A great coach and a terrific group of girls made this a winning team despite their loss in the quarter-finals.

Senior Boys' Basketball

Due to a lack of interest in playing on the Senior Boys' Basketball Team, all those who tried out made the team. Despite dedication from their coach, Mr. Morris, and hours of practice, the boys lost out in the first round of playoffs.

Weight Room

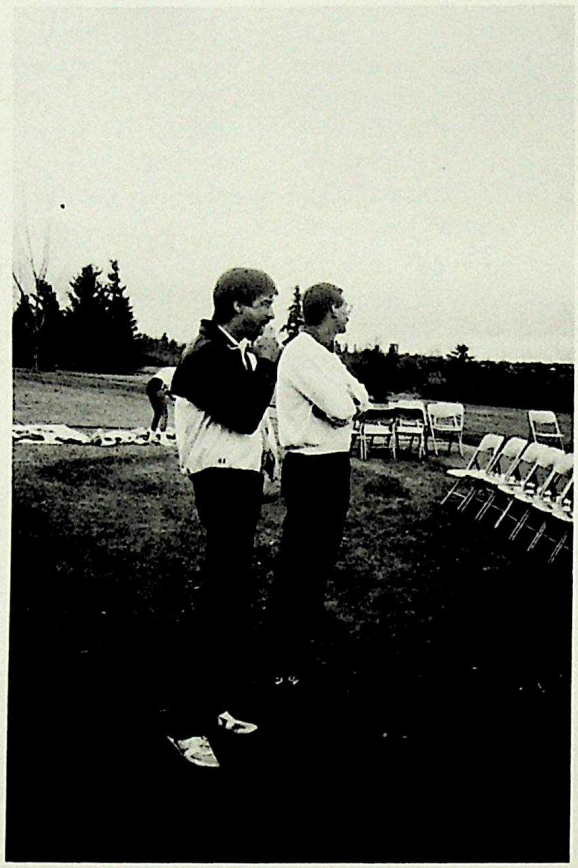
Whether it be phys. ed. classes, members of teams or individuals, McNally's Weight Room is a place where people can always be found, students and teachers alike. The equipment which was purchased last year has everything needed for muscle toning to body building.

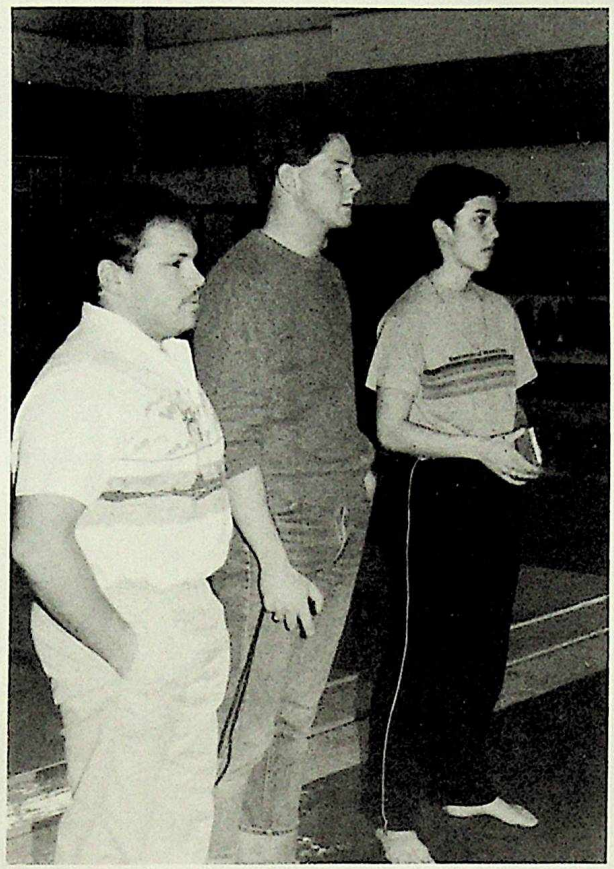
Rugby

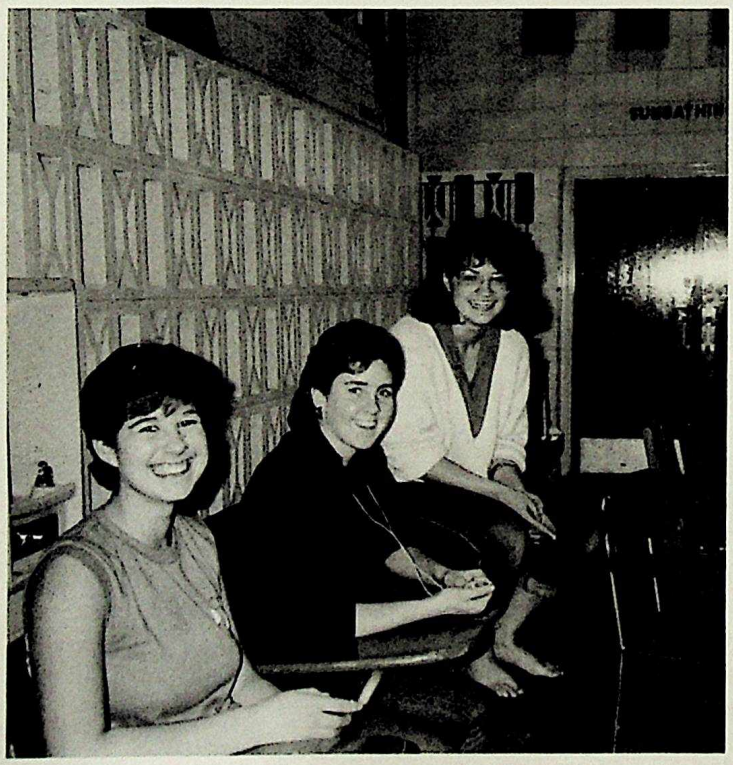
Coached by Mr. Skoreyko, this year's Rugby team competed successfully in the city conference. Twenty-five players were seen in the south pitch rucking, mauling and scrumming almost every day from the beginning of April to June.

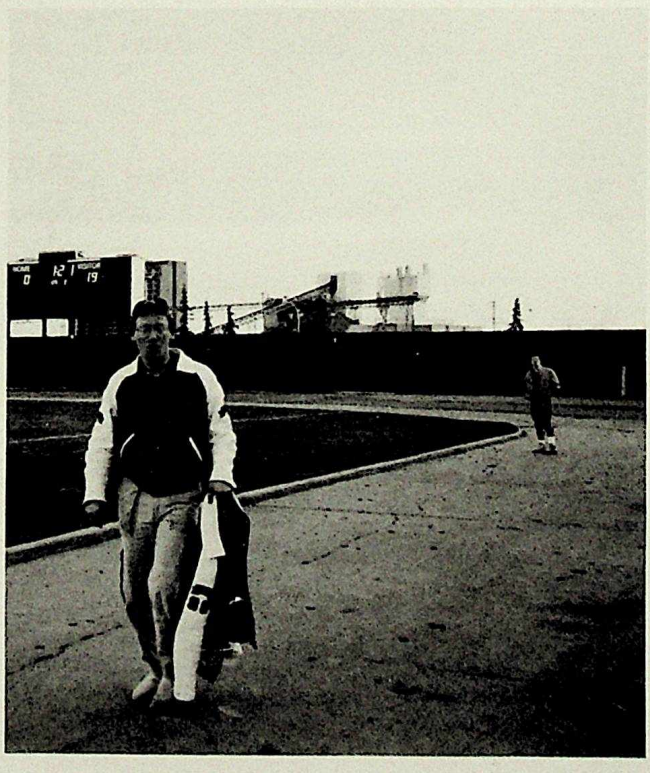
Thanks to Carolyn Conn, McNally has a girls Rugby team for the first time ever. In April, a group of about 30 girls expressed an interest in forming a girls team.

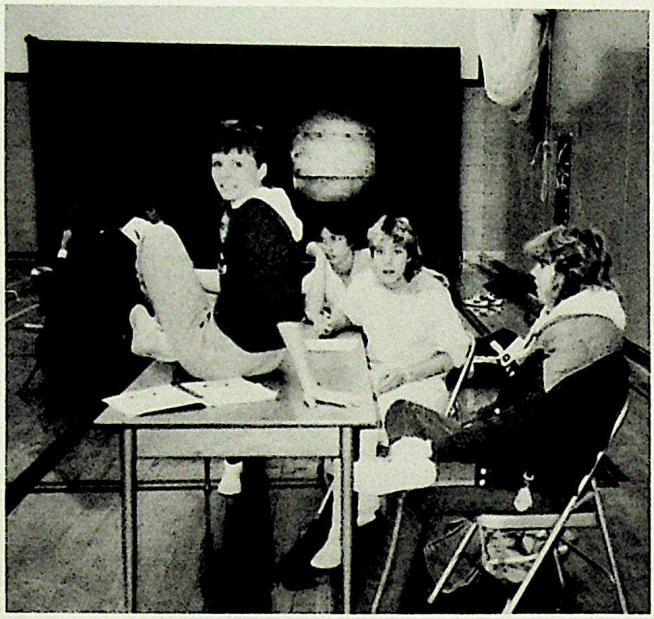
Coaches & Helpers

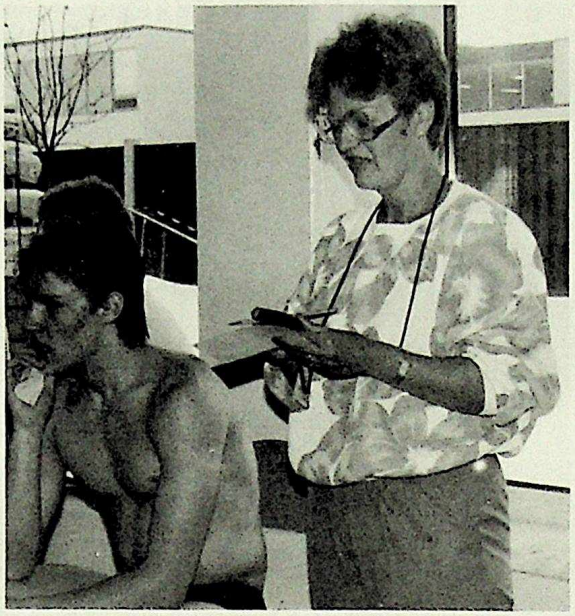


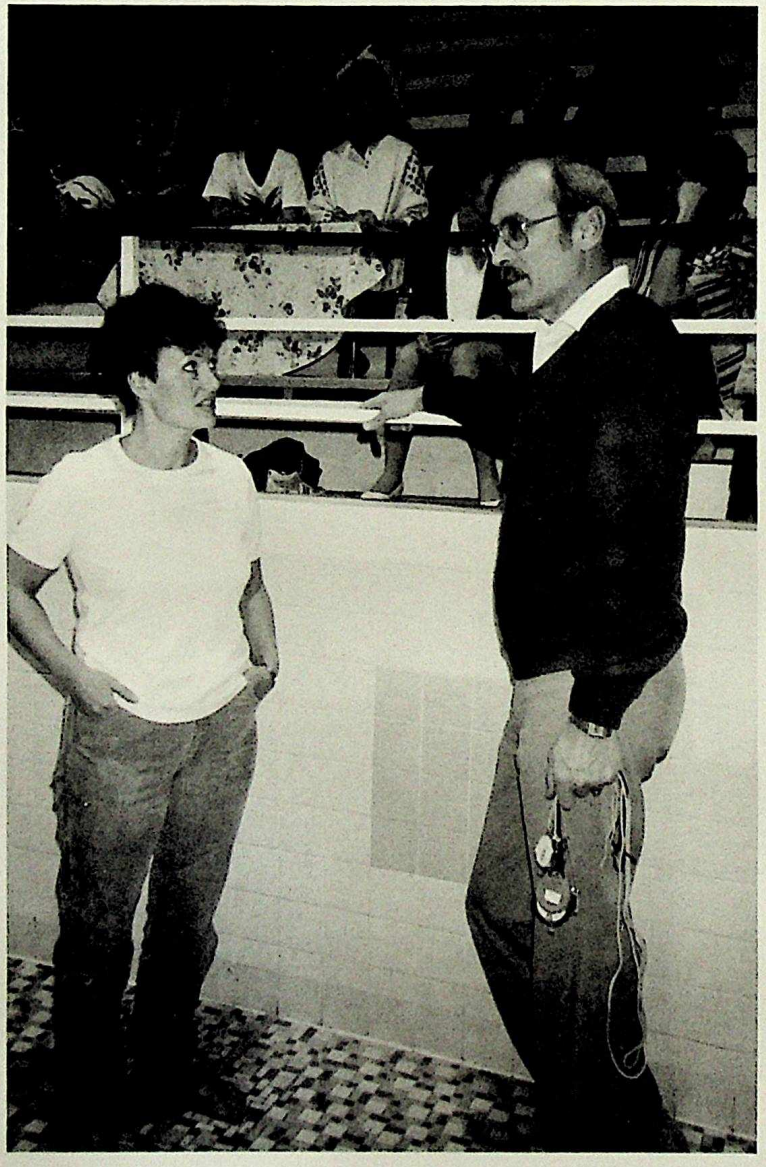


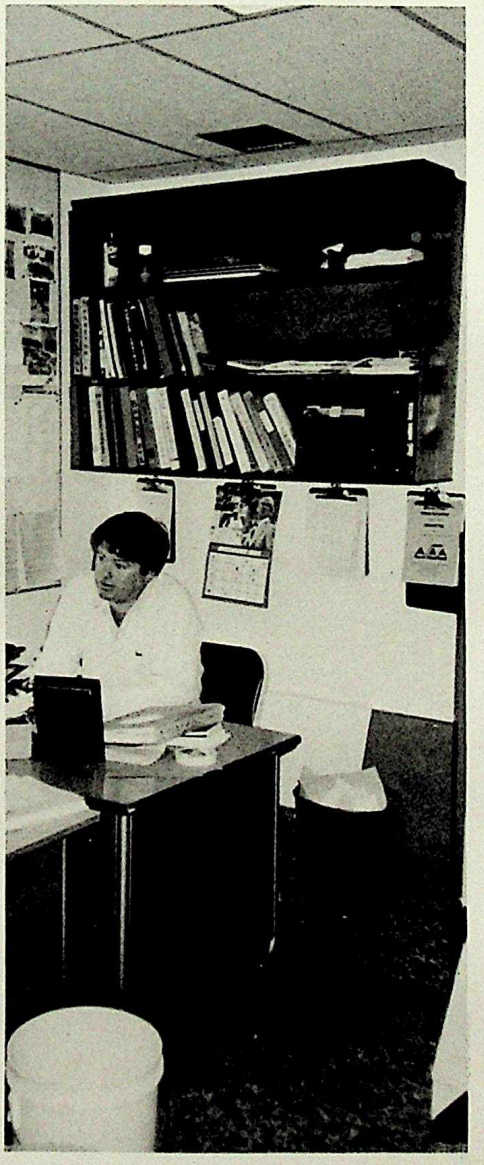




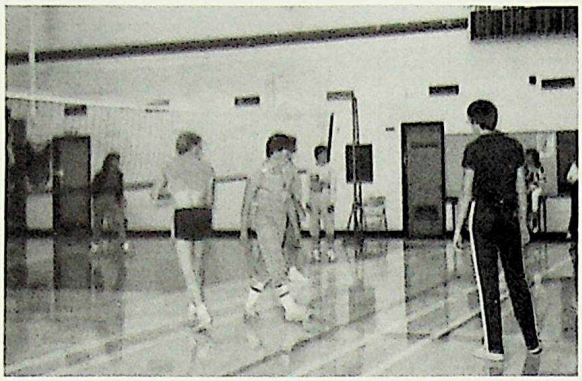


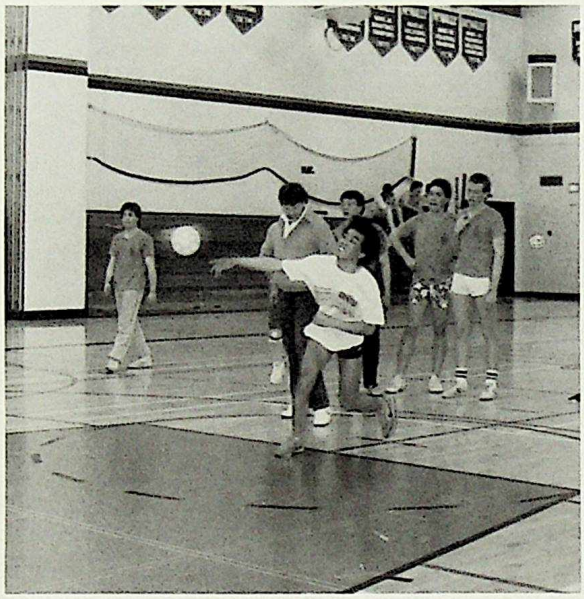


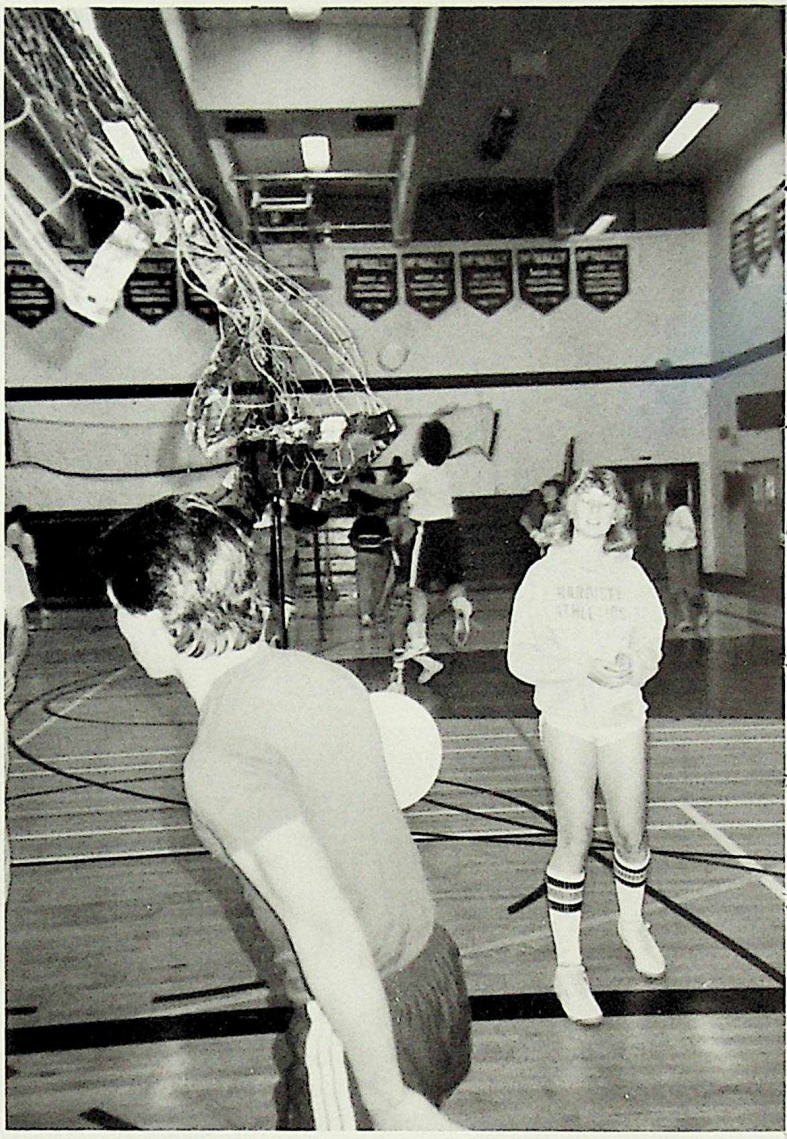


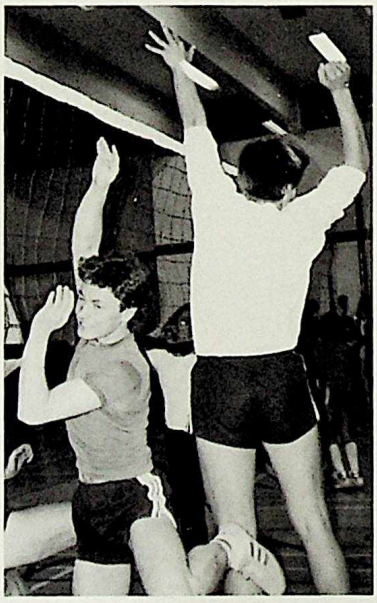


Intramurals









Back Row: Mr. Dufresne, K. Riar, Ms. Smyth, Miss Cruden, Ms. Davidson, Mr. Buchynski. Front Row: Mr. Kunyk, Mr. Morris.

Tigers!

Grade 11's/National News

September 3, 1985

As one-year veterans, grade 11's returned to McNally with an air of experience. Unlike the previous year, this group of students walked into the school unafraid of the challenges that lay ahead. Being neither the youngest nor eldest class they appeared to be in a "safe" position, neither powerless nor too powerful.

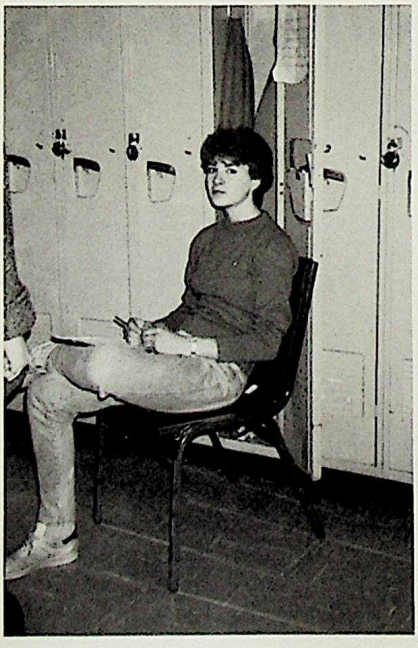
Remembering their experiences of the first days of grade 10 they immediately set out to organize initiation activities for the new arrivals to the school to ensure equal treatment. (They studied the new Canadian constitution in Social Studies 10). As the year flew by, the grade 11's became accustomed to having a group of younger students then themselves around, and were occasionally even seen communicating with them. The McNally staff reports they have never in previous years, experienced such a phenomenon.

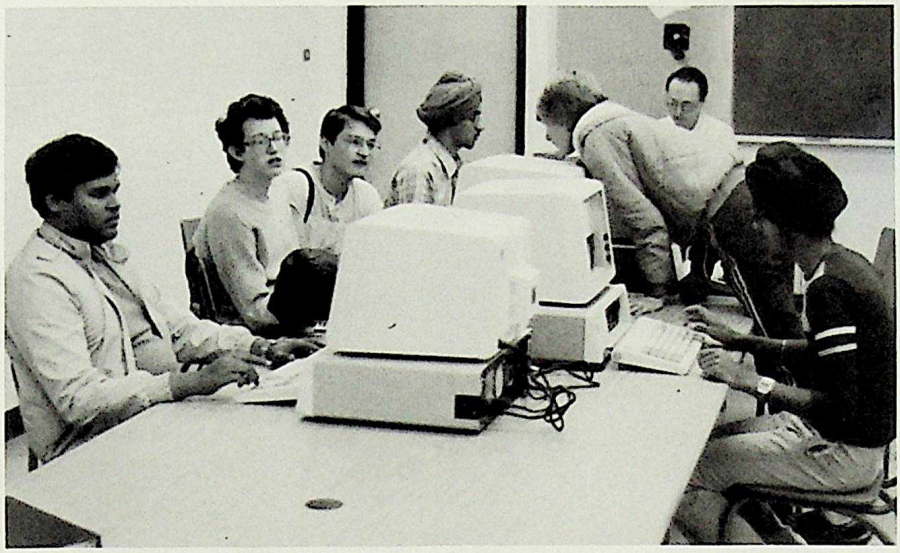
September 4, 1985

Mila Mulroney gives birth to her fourth child, a son.

September 6, 1985

The Canadian Encyclopedia by Hurtig Publishers goes on sale.





September 19, 1985

Supermarkets across Canada pull tuna packaged by Star-kist Canada Ltd. off their shelves as there was suspicion that it was a health hazard, thus beginning the tuna scandal.

September 23, 1985

Fisheries Minister John Fraser resigns because of his role in the tuna scandal.

September 25, 1985

Marcel Masse, the Communications Minister, resigns as a result of an investigation into his campaign spending.

September 29, 1985

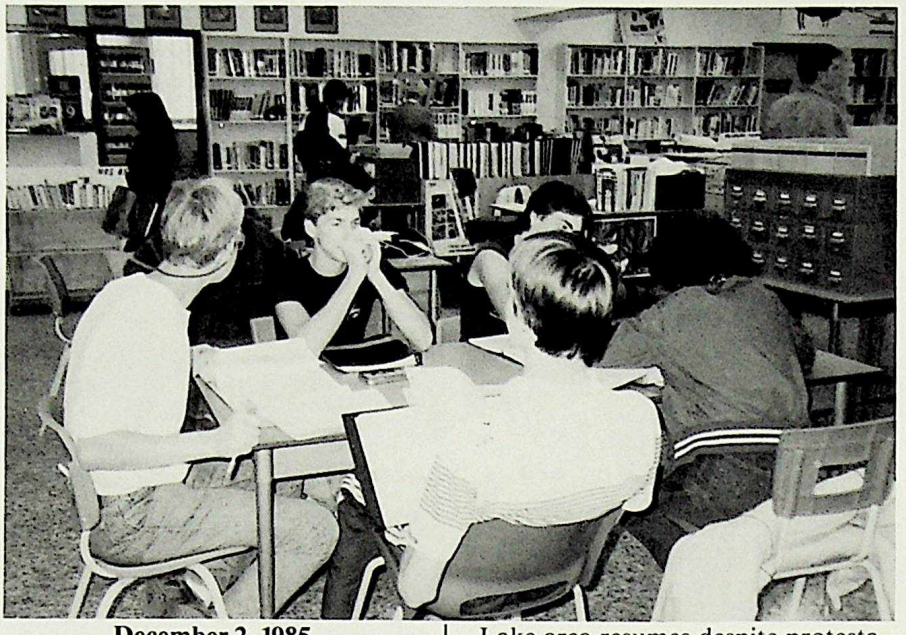
Rene Levesque resigns his national assembly seat, as Pierre Marc Johnson becomes the new premier of Quebec.

November 7, 1985

Two Sikhs were arrested in Vancouver in connection with the downing of an Air-India jet and a bombing at Tokyo airport last June.

November 14, 1985

Western Canada's third heart transplant was performed at the University of Alberta Hospital.



December 2, 1985

Liberal Robert Bourassa wins the Quebec provincial election, ending nine years of Parti Quebecois rule.

January 14, 1986

The Canadian Dollar closed at an all time low of 71 cents.

January 21, 1986

Jean Viau cashed his Lotto 649 ticket worth $10.2 million from the January 11 draw. Viau, 22, plans to get married and buy a red Corvette.

January 15, 1986

This day marks the deadline for the Calgary Stampeders to pay their debts, which amount to $650,000. The team was put up "for sale". There was but one serious offer, which did not pull through. A rally was held to raise funds, but $165,000 was only raised. After printing "TOWN WITHOUT PITY" on the front of their newspaper, the citizens of Calgary began to respond.

January 21, 1986

It was announced that a public inquiry will be held into the number of close calls at airports between two aircraft or aircraft and ground vehicles. There were 200 such close calls in 1985 compared to 124 in 1984 and 73 in 1983.

January 21, 1986

Cruise missle testing over the Cold Lake area resumes despite protestation by Greenpeace.

January 22, 1986

An unarmed cruise missle crashes five minutes before the end of a test mission near Cold Lake.

January 30, 1986

Deputy Prime Minister Erik Nielson confirms he secretly eavesdropped on Liberal caucus meetings in the mid-1960's. Prime Minister Mulroney rejects the opposition demands for Nielson's resignation.

January 30, 1986

As the Bank of Canada increased its interest rate from 10.33 percent to 10.8 percent, in an attempt to keep the Canadian dollar from dropping below the 70 cent mark, the dollar hits an all time low of 70.23 cents American. The dollar opened at 70.60 cents, hit its all time low, then closed at 70.28 cents. It is expected that the dollar may recover after the budget.

Clubs

Hiking

The hiking club has been in existence longer than we can remember. This year's merry band of travellers have proved their great love for nature. This is evident in their long hours spent viewing Mr. Dzwiniel's slides (listening to his jokes and music) and the endless ramblings of the presidents. To them we extend many thanks for making it such a great year.

Chess

Since October 1983, the chess club has increased drastically in size. With people like their coach, Mr. Glasel, their president, Salah Chehayeb, their secretary, Dave Yadallee and top chess players in the school, the chess club has become an organization for competition and education. There were competitors in each of the three classes; beginner, intermediate and expert. This year the members of the chess club won several tournaments including the one at Old Scona and the Edmonton Interschool Invitational. This year the chess club displayed elements of style and fair play, next year they hope to improve their talents and strive to become nothing but the best.

Debate

The Debate Club was once again one of the premier clubs in Alberta. The team experienced great success in all the tournaments which they entered. In the St. Francis Xavier tournament, the team of Anthony Enache and David Tupper won the top speaker award. At Ross Sheppard, the beginner teams entered and finished the tournament with a winning second. In February, the club hosted their second annual tournament, which was a huge success. At the provincial parliamentary debates David Tupper and Anthony Enache won every one of their debates. In the regionals, Anthony Enache and David Tupper qualified for the provincial championships, where they finished in fourth place in all of Alberta. Congratulations to all the teams and to Mr. Kachuk, their coach for another great season.

50–Hour Running

The Fifty Hour Running Club braved the snow and ice of the winter months for the sake of their sport. This non-competitive group of staff and students had a great time, despite the snowball fights, getting in better shape for the spring sports.

Newspaper

The newspaper club worked hard to get out several editions of "Tiger Times" this year. The poems, write-ups about school events, and the letters to the editor were greatly enjoyed.

Forty's

The rapidly aging Forty's Club spent their days trying to recapture their lost youth. Other activities of the club included popping Geritol for those ever-stimulating card games, as well as making a patchwork quilt for Mr. Lund when he moved on. Good work club; we hope your final years are restful ones.

Badminton

The Badminton Club, although not a competitive organization, displayed a dedication similar to that of a team. They consistently met twice a week at noon to enjoy the game of badminton. This persistence, evident in every member of the club, was promoted by Mrs.

Major, the teacher/leader of this group.

Travel

This year, 25 students spent sixteen exciting days travelling, sightseeing, and shopping in Europe. They landed in Frankfurt, Germany, on March 29, and boarded a Mercedes-Benz coach, driven by Hans Scholz. They travelled through Germany, Austria, Switzerland, Italy, and France, ending back in Frankfurt on April 13, for the flight home. The scenery, people, and places in each country were fascinating. There were many interesting group tours of the cities and other attractions en route, as well as opportunities for exploring in smaller groups. Austria, Switzerland, and France were made even more enjoyable with a day of skiing in each country. Many thanks to Mr. and Mrs. Maguire for all their hard work in organizing and chaperoning, to Hans Scholz for the bus, and choosing the itinerary, and to our parents for supporting our worldly travels.

Electronics

Once again, the electronics club enjoyed a great year. The members of this little-known club spent many noon hours working on their projects. A great deal of their success was due to the efforts of their advisor, Mr. Bauerfind. Congratulations to the club on another fine year.

Adventure/ Role Playing Games

This year the Dungeons and Dragons club expanded into the Adventure and Role Playing Games club. They spent many noon hours with this challenging activity.

Hiking Club

Back Row: Sandra Lutes, Stuart Bray, Warren Nishimura, Robin Kerr. Tour of Europe (March 30–April 13, 1986)

Sunday March 30	Arrival at 8:15 hrs in Frankfurt. Transfer to Heidelberg. Afternoon visit of Heidelberg.
Monday March 31	Drive via Stuttgart — Augsburg — Dachau to Munich.
Tuesday April 1	Morning sightseeing in Munich. Afternoon free for shopping.
Wednesay April 2	Drive to Herrenchiemensee to visit the castle. Then to Bad Reichenhall for a tour of the salt mines. Overnight at Salzburg.
Thursday April 3	Day for skiing in the mountains (depending on snow conditions). Overnight at Salzburg.
Friday April 4	Drive to Innsbruck for lunch and brief visit. Then on the Arlberg-Route to Vaduz to Lichtenstein. Overnight at Chur in Switzerland.
Saturday April 5	Day for skiing in the Swiss mountains (depending on snow conditions). In the afternoon drive to Chiasso on the Italian border.
Sunday April 6	Drive to Milano to visit cathedral. Then to Genova for lunch and brief visit. In the afternoon along the Riviera to Nice.
Monday April 7	Morning at leisure. Afternoon excursion to Monte Carlo.
Tuesday April 8	Early departure. Drive on Route Napoleon across the Alps to Lyon. (Possibility for skiing en route).
Wednesday April 9	Drive on the Autoroute to Fontainbleu. Visit of the castle. Then on to Paris.
Thursday April 10	Full day sightseeing in Paris. Illumination tour in the evening.
Friday April 11	Morning excursion to Versailles. Afternoon free for shopping.
Saturday April 12	Drive via Verdun through the battle-fields of the first World War. Then to Luxembourg for brief visit. Along the Mosel to Cochem. Visit of a wine cave and farewell party.
Sunday April 13	Drive along the river Moselle and the Rhine to Frankfurt. Departure at 12:40 hrs.

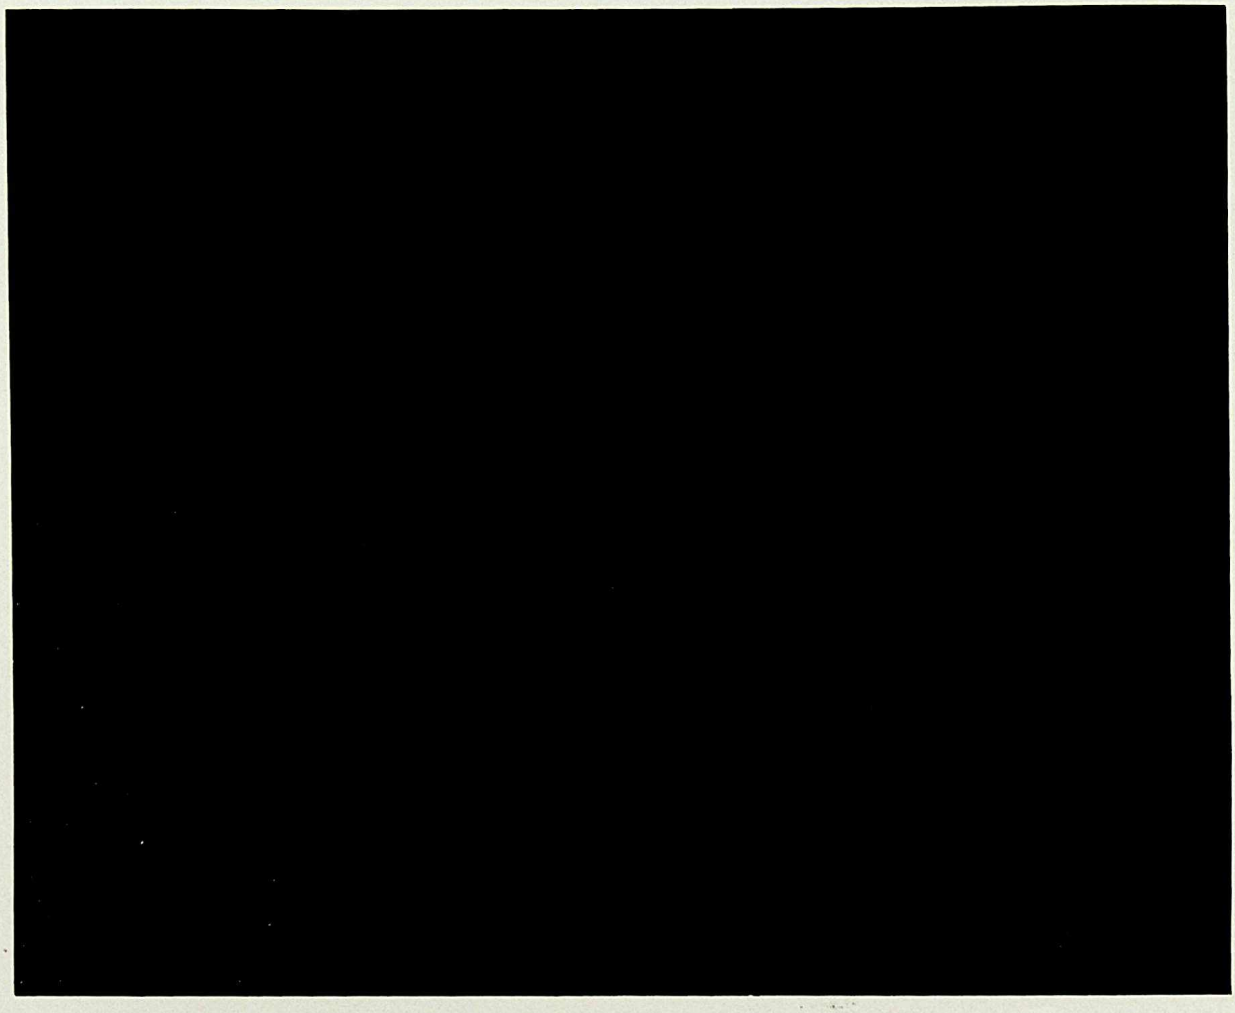
Apathy Club



This year at McNally, there has been far too much school spirit. People have been going to the athletic events, signing up for teams and other activities; in a word, participating. This must stop! McNally's record of apathy and boredom must be continued. What would the alumni say if they came back and saw the students of our school being actively involved in these sort of things? They would be disgusted, and rightly so, to see the hard won tradition of indifference which they established not being maintained. Why must you do something at noon-hour, why play basketball or watch films or anything? Why not sit around with a stupid look on your face. If it was good enough for last year's class, it's good enough for us. So let's stop all this activity, and get back to good old boring nothing. The people who have re-joined the Apathy Club are shown in the picture above

Please note: The editors reserve the right to exaggerate.

Cover Story

McNally's History ('64–'86)

In the early 1950's the area east of the Capilano Ravine was still farmland, much of it making up the Gold Bar farm. Later the area became part of Edmonton and from about 1955 to 1960 was the scene of extensive residential construction. The new subdivisions of Gold Bar, Ottewell, Hardisty, Fulton Place, and Capilano were created and, on the whole, settled by couples with young and expanding families. Although elementary and junior high schools were erected, the planners of the area did not make provision for a high school.

By the early 1960's it became obvious that Bonnie Doon High School could not continue to cope with the growing number of high school students. Parental pressure urging the construction of a new high school was mounting and although the need was finally recognized, no land had been set aside for a high school. At this time city council agreed to appropriate parkland for the new school. As a result McNally High School has the most scenic location of any of our city high schools.

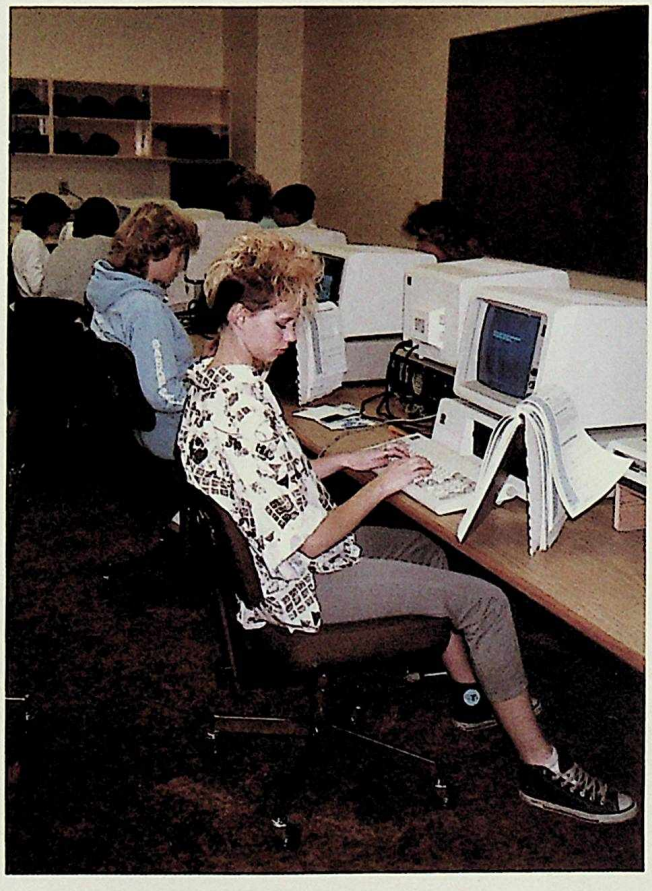
The new high school was opened for students in September, 1964, with Mr. L. J. D. Garrett as its first principal. Only Grade Ten and Grade Eleven was offered the first year. The student population numbered 458 and the teaching staff 24. The school was officially opened on January 22, 1965 and Dr. G. Fred McNally, after whom the school was named, took part in the opening ceremonies. On this day, Dr. McNally dedicated the school with the words, "I now dedicate McNally School to tolerance, friendliness, and sound learning." Dr. McNally, then retired, had an outstanding career in the field of education in Alberta, having served as a teacher, school inspector, normal school principal, curriculum developer, Deputy Minister of Education, and as Chancellor of the University of Alberta. Our school motto "Nihil Sed Optimum" (Nothing But the Best") aptly reflects his dedication to education. Since 1965, McNally has had three principals, excluding Mr. Garrett. Each one has actively pursued the realization of our school motto.

Our building reflects the financial and educational atmosphere prevailing at the time of its construction. It is not as elaborate as some of the high schools built either earlier or later. Concrete block construction, concrete beamed ceilings, and rather small sized classrooms reflect a degree of economy. Thankfully, innovations such as open instructional areas, circular construction, and windowless walls were not yet in vogue.

In time, an ever increasing enrollment showed the new structure to be

inadequate and for a time some students of the area had to be accommodated at Victoria Composite High School. In 1968, an addition consisting of a library and an extension of classrooms to the east wing was completed. The small gymnasium and the Industrial Education Wing were also added.

Presently, the staff at McNally numbers 78 while the student population stands at 1195. In the past several years, the number of students attending McNally has been on a steady increase. This is due to many factors, such as the International Baccalaureate Program, which includes an excellent computer program, the outstanding band program, and



McNally's athletic and academic reputation.

McNally is considered to be one of the more conservative high schools of Edmonton which perhaps reflects the middle class and upper middle class nature of this part of the city. The "drop-out" rate of our students and the transfer in and out rate of our students are minimal. In the past two years, McNally has ranked very well overall on the diploma examinations which were re-instated in the 1983-1984 school year. By and large this reflects the non-transient nature of the community and the positive and supportive attitude of parents towards higher education.

As in other high schools of Edmonton, the students of McNally have shown a wide range of interest in and support of activities, both academic and extra-curricular. Of classroom related activities, McNally has rather consistently shown considerable distinction in music, art, computers, and debating. Despite being the smallest of the composite high schools of the public system and one of the smaller high schools of both school systems, McNally has competed ably with the larger schools in the fielding of teams in interschool athletics. Indeed, McNally has developed a strong tradition of competition in all sports for both girls and boys.

Evidently, the past and present students and staff of McNally have worked hard and continue to work hard to make our school motto "Nihil Sed Optimum", the truth. It is hoped that this tradition will also continue in the future.

Cold

Since the school opened, there are some things that just haven't changed. Like the heating system in our school. The following excerpts are taken from an article published in "The McNally Tally", November 14, 1966:

". . . the temperature in the school is always hovering around the 30 to 40 degree below freezing point."

"The only thing in the whole school that is warm is the water from the fountains."

One possible explanation: ". . . the biology department is secretly raising polar bears or minks for fur coats."

A suggested headline for the Journal was: "Aggravated Air-Conditioner Creates Kidsicles."

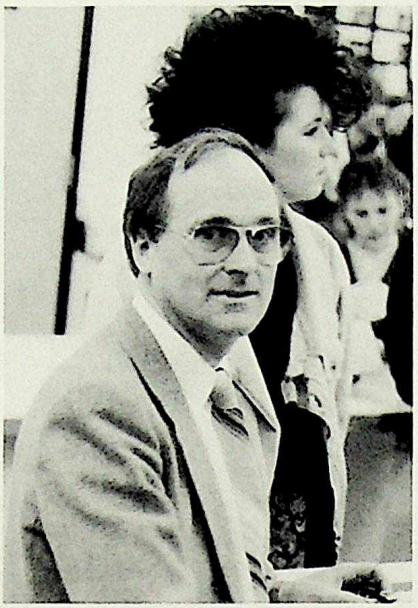
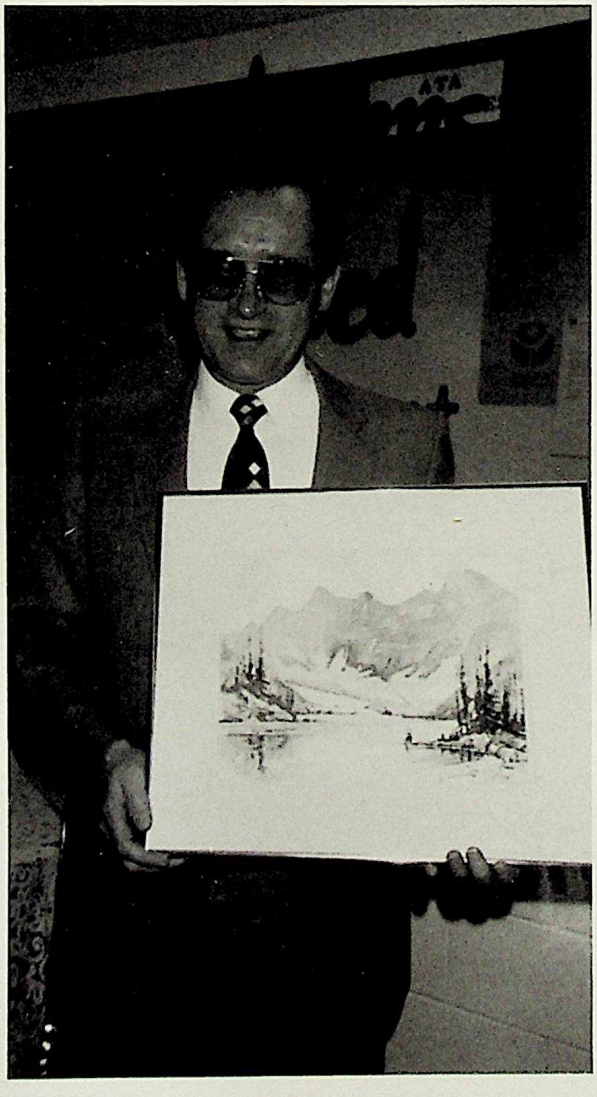
GO TIGERS



. . . and they lived happily ever after.

Milestones



Births

August 31, 1985 — **Evan James Wood** was born to Mr. and Mrs. Wood. He weighed 7 lbs. 8 oz. and has blonde hair and blue eyes.

September 12, 1986 — Mrs. Kunyk gave birth to a 9 lb. 13 oz., 21¾ inch long baby girl, **Kelsey Patricia**.

November 8, 1985 — Ms. Hampel gave birth to a baby boy, **Daniel Grant Moore**. Weighing 7 lbs. 10 oz., he was 19¼ inches long with lots of dark hair and big blue eyes.

March 19, 1986 — Ms. Smyth gave birth to **William Ryan Christopher**, 21¼ inches in length and weighing 7 lbs. 4 oz.

Deaths

Spring 1986 — After months of various ailments and problems, the **Senior Cheerleaders** died a slow death, but now rest in peace. While walking through the halls of McNally, ghosts of the former cheerleaders can sometimes be seen or heard.

Special Events

January 1986 — McNally received the best Christmas present ever — a life size tiger to be used to promote school spirit at various school activities, functions, and sports events. A contest was held to come up with a name for the tiger, and the name **"Roary McTiger"** was suggested by the school staff and was elected by the Students' Union.

January 1986 — **Mr. Lund** left McNally to become an associate superintendent. As a result, Mr. Sheppard became the "acting principal", Mr. McWilliam the "acting vice-principal", and Ms. Stewart was hired to take over Mr. McWilliam's teaching position in the Social Studies department.

Semester 2 Activities

Cupid–O–Grams

On February 14, Valentine's Day, the Student's Union sponsored the delivery of Cupid-O-Grams. For a couple of weeks before this event, students could have purchased a card, rose, or candy or any combination of the three for their sweetheart. Approximately 50 students were totally embarrassed when a gorgeous cupid presented them with a card and rose in their classroom.

Slam Dunk

McNally almunus Dave Youngs, along with five other Golden Bears from the University of Alberta, gave an outstanding slam dunk demonstration after challenging the senior boys' team. Our Tigers tried hard but were defeated. The high participation at this event resulted in the school winning a dance by K–97.

Snowfest

McNally's first annual Snowfest was held on February 26 during period 9 and was a tremendous success. Among the events were strip skiing, sack racing, toboggan racing and a tug of war. Mr. Skoreyko's I.B. Biology class was successful at winning the sack race, Ms. Smyth's Phys. Ed. class was victorious at the strip skiing and Mr. Kupchenko's English class won the tug of war and the toboggan race. The participation was overwhelming, the weather was excellent and everyone enjoyed themselves. All in all, it was a stupendous day and a great way to end winter.

Western Day

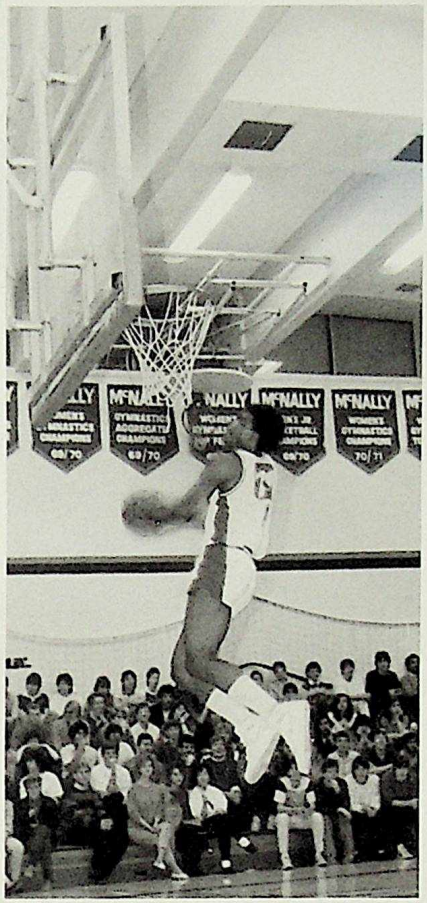
The annual Western Day was a big success. Among the events were arm wrestling, leg wrestling, Twister the Bull, and a costume contest. The costumes were original and the judges had a tough time selecting the winners. The winners were Gregg Shields and Karen Hughes. Arm wrestling winners in the female class were: over 125 pounds Roze Groenveld and under 125 pounds Aurelie Gibson. The leg wrestling was won by Heather McFadzyn.

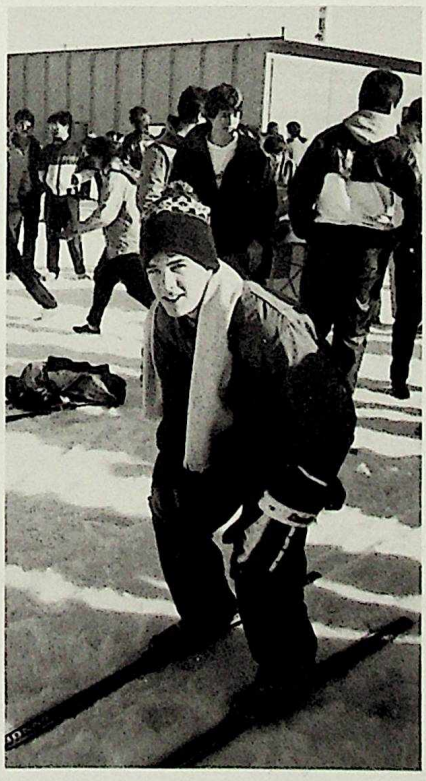
Mark Scharenbroich

Jostens/National School Services had Mark Scharenbroich come from Minneapolis, Minnesota for a leadership seminar. McNally was lucky enough to have him speak for an hour on school spirit. It was a funny, informative time with memories of his school years, from high school to college. The hour was topped off with the school body participating in a "BOOM BA HEY" concert which thrilled the teachers (or anyone over 30 years old). Mark, the conductor, was complete with a pair of yellow fluorescent glasses and powerful sheet music and stand.

Les Bûcherons

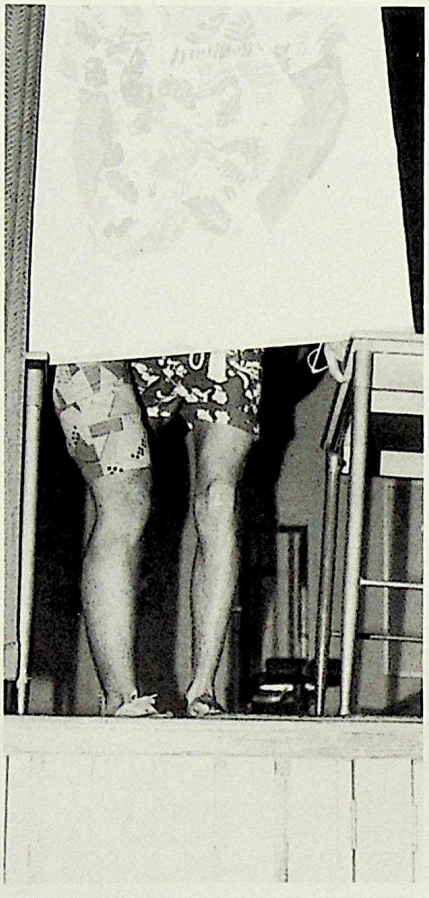
Students at McNally were exposed to the French Canadian culture when Les Bucherons came to the school. Their performance included dancing and music. Students and teachers were invited to participate, which they did by playing the spoons, bones, and a jew's harp. Among the participants was Mr. Sheppard, who was seen playing a saw. We thank the duo for reminding us of Canada's heritage.



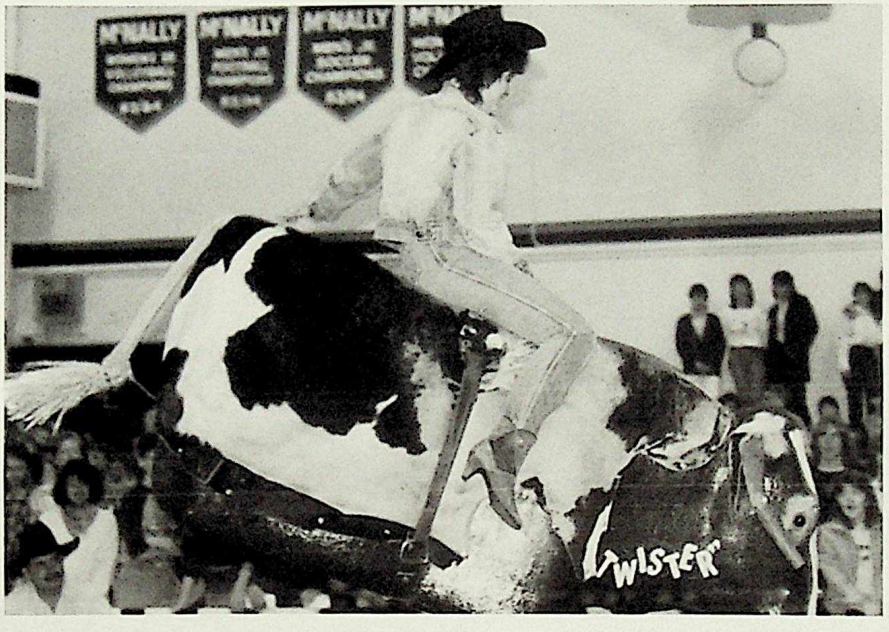


McGrammy Awards

The Senior Class Council's second annual McGrammy Awards, M.C.'d by Jennifer McMullen, was fun for all. A Guide to the Dictionary placed first with the songs **Beachwood Branch Beach** and **Batmobile Breakshoes**. Coming in second was Dennis Hazzard's and Brian Bohlken's version of The Great White North.



Finally Ed McGowen, singing **Lost Summer** placed third.



Hawaiian Day

On Friday, March 21, the hallways were filled with lawnchairs, sunlamps and people walking around in very little. This was McNally's second annual Hawaiian Day. At lunch time, many events took place such as the limbo and best legs contests. The limbo was won by W. Doucette, Kim Thew and Jim Kosh won the girls' and guys' best legs contests respectively.

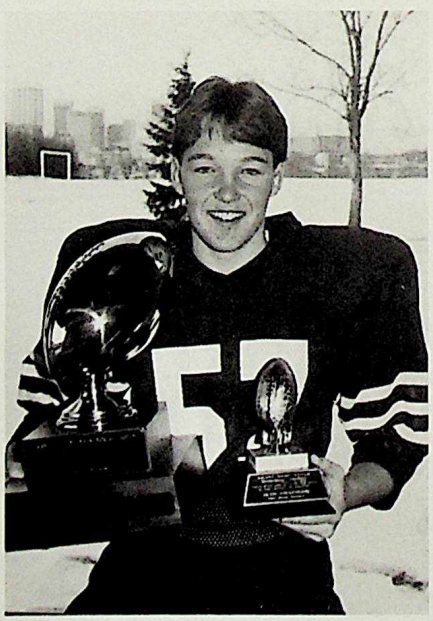
People

In September, **David Tupper** and **Anthony Enache** were finally presented with the Basil Dean Trophy for being the first place team in the Winston Churchill debates. They won this competition in February of 1985 but had not attended the awards banquet of that year to receive their trophy. They instead chose to boycott the banquet in protest over the Churchill society's policy of excluding females. The society elected to change this policy this year and David and Anthony received their award.

The senior football team had a memorable year in 1985. It was memorable as they made the playoffs for the first time in years and memorable because for the first time a female became a football player at McNally.

On an otherwise ordinary day in October, a female tried out for the senior football team. Throughout the day, rumors had been rampant about a female who had transferred into McNally from a school in California. This girl was rumored to have N.F.L. potential as a quarterback. The senior football players were apprehensive about this appearance. The quarterbacks vowed never to participate on a team where a girl started ahead of them. The whole school was abuzz over this phenomenen.

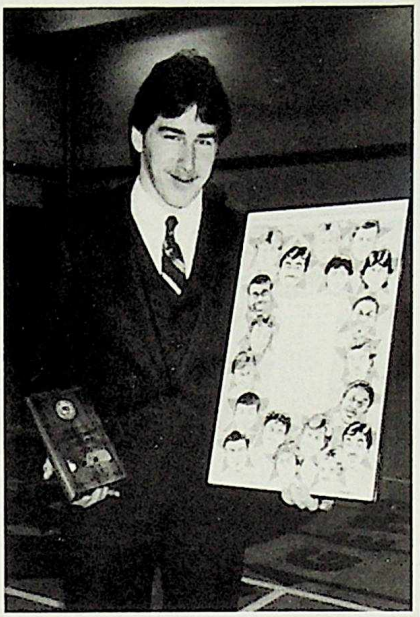


At practice that day the coaches called the team together and asked that they be "classy" when the girl made her appearance. Then, Phil Newman appeared wearing a bikini. The team then assumed that the rumors were a joke. However, the coaches said that Phil was only breaking the ice. Then, a girl appeared in football garb which was correctly worn. The coaches introduced her and stated that she would be observing the team's system for the duration of the practice. A team picture was taken of this historic "first." The team then practiced normally. It was only at the end of the practice that the coaches revealed that the female player was but a joke. The team breathed an audible sigh of relief upon hearing this. The next day the impersonator was revealed to be **Denise Parsons.**

On November 20, **David Tupper** received an Alberta Youth Year award. This award was presented to him in recognition of his service and participation. It was presented before the school at the air band competition by Al Hiebert, the Gold Bar M.L.A., who also presented a set of Canadian encyclopedias to Mrs. Maguire for the library.

Last fall, **Colleen Springer**, a 21-year old University of Alberta computing science student and a former McNally student, was crowned Miss Edmonton Eskimo. Included among her $5000 in prizes was a fur coat. She travelled to Montreal to compete in the Miss Grey Cup Contest in November.

Sherry Melney, known to most McNally students as Miss Stevenson was named the CIAU women's basketball coach of the year on February 26, 1986. Sherry left McNally last June to coach the U of A Pandas and brought her team to a second place finish in the Canada West Conference. During the season, Melney had the team consistently ranked in the top ten nationally.



Bill Warren was selected as a member of the Edmonton Journal All-star football team. Bill was a middle linebacker and one of the defense captains of this year's Senior Tiger team. After a severe knee injury last year, he came back to have an outstanding season this fall.

The captain of the Junior Football team, **Glenn Stevenson**, was awarded the Grant Yuzyk Memorial Trophy as the most valuable junior football player in the Junior League, South Division.

This year, two of the premier skaters in Canada attended McNally. They were **Konrad Schaub** and **Allison MacLean**. These two grade eleven students achieved great success as a pair in the novice dance category in figure skating. They represented the Figure Eight Skating Club and came in second place at the Western Canada championships in British Columbia. In the Canadian championships, the pair was fifth. They truly brought honour and recognition to McNally.

Grads/International News

Grad '86

On June 14, 1986, the graduation ceremonies and banquet were held for the 400 members of this year's senior class. Getting prepared for bigger and better things, the grads reflected upon their past three years at McNally. The forever-dreaded first day of grade ten, the new faces of millions (?!*?) of students and getting a wee bit confused trying to find classes in the first week of school stick most vividly in many of their minds. Grade 11 was a fairly average year — they were no longer the youngest group of students attending McNally. (It somehow seems to boost their ego.) Grade 12 has proved to be a very interesting year and being the eldest, the grads seemed to be relatively in control of the school. They participated in a wide variety of fund raising activities which contributed to the success of this year's ceremonies and banquet. Such activities included selling perfume and posters, the McGrammy Awards, the bottle drive and the prom dance. GOOD LUCK TO ALL GRADS!

January 28, 1986

On Tuesday, January 28, the space shuttle Challenger exploded 75 seconds after lift off, killing the first civilian passenger in space and six NASA astronauts. Aboard were Christa McAuliffe, 37, a teacher of

economics, history and law, commander Francis Scobee, 46, pilot Michael Smith, 40, Judith Resnik, 36, Ronald McNair, 35, Ellison Onizuka, 39, and Gregory Jarvis, 41.

Despite a two-hour delay, due to the frost that had settled overnight at the Kennedy Space Centre in Florida, the space shuttle had an apparently flawless launch. Seconds later, the flight had ended. No immediate explanation for the cause of the explosion was given. The officials of the National Aeronautics and Space Administration in the United States plan to investigate the incident before any conclusions are reached.

In the past 56 manned flights into space, there had not been any American casualties, although three astronauts were once killed in a pre-launch accident nineteen years ago.

The disaster at Cape Canaveral is a painful reminder that humankind remains imperfect and mortal.

September 2, 1985

The wreck of the Titanic was found almost four kilometers deep off the Coast of Newfoundland by a Franco-American expedition.

September 19, 1985

An earthquake measuring 7.8 on the Richter Scale kills over 2000 people in Mexico City.

September 20, 1985

A second earthquake rocks Mexico City, measuring almost 7.3 on the Richter Scale.

September 27, 1985

Hurricane Gloria swept northeastern U.S. and parts of New Brunswick. There were 9 deaths, and tens of millions of dollars in damage.

September 28, 1985

Farm-Aid Concert in Champaign Illinois — lasted 14 hours.

September 29, 1985

Hurricane Gloria, which killed five Americans, died down along the east coast, before it could reach the Maritimes.

September 29, 1985

Earthquake shook southeastern Yugoslavia — injured 5 people, caused minor damage — 5.6 on the Richter Scale.

October 3, 1985

Actor Rock Hudson dies at the age of 59. The American idol who died of AIDS is now being mourned by millions of fans.

October 8, 1985

PLO hijacked Italian cruise on October 7 (wanted Israel to release

50 prisoners and threatened to blow up vessel if attacked) with 400 people aboard. No one was injured so far.

October 9, 1985

Hijacked Italian cruise liner heads for Cyprus. More than 400 passengers on board. Reports saying that 2 American passengers had been killed.

October 11, 1985

U.S. aircraft intercepted an Egyptian plane carrying four Palestinian hijackers, forcing it to land in Sicily where the gunmen were handed over to Italian authorities.

October 11, 1985

American warplanes forced an Egyptian airliner carrying four Palestinian pirates, who hijacked the Italian luxury liner, to land at a NATO base in Sicily early today.

October 14, 1985

Leon Klinghoffer's body (shot to death on the hijacked Achille Lauro) drifted ashore in Syria, and was brought to Rome for an autopsy — it was found that he was killed by gunfire.

October 16, 1985

Toronto Blue Jays lose 6-2 to the Kansas City Royals, falling one win shy of the World Series.

October 27, 1985

The Royals win the World Series over the Cardinals. The series was won 4 games to 3. The Royals are the first team to win after losing the first two games at home in World Series history.

November 10, 1985

Pelle Lindbergh, the top NHL goalie last season crashed into a cement wall with his Porsche, leaving him brain dead.

November 14, 1985

By a mere coincidence, the Oiler-

Flyer tickets bore the picture of Pelle Lindbergh.

November 14, 1985

A volcano erupted in Colombia, hurling down torrents of mud and killing an estimated 20,000 to 25,000 people.

November 21, 1985

The Reagan-Gorbachev Geneva summit ended.

November 24, 1985

50 people were killed as Egyptian commandos stormed a hijacked airplane in Malta — including an Alberta woman and her son.

December 9, 1985

Former Edmonton Eskimo Coach Hugh Campbell was fired as the headcoach of the National Football League's Houston Oilers.

December 11, 1985

A DC-8 airliner carrying 250 U.S. military personnel and 8 civilian crew crashed in Gander, Newfoundland.

December 14, 1985

Roger Haris, who hit 61 home runs in 1961, setting a record, died of cancer.

December 27, 1985

17 people were killed and at least 116 others were wounded in separate terrorist attacks at the Rome and Vienna airports.

January 3, 1986

The U.S. Navy has placed its forces in the Mediterranean Sea, ready to launch a retaliatory strike against Libya.

January 7, 1986

The U.S. halted all business dealings with Libya, in retaliation for Libya's terrorist activities.

January 8, 1986

President Ronald Reagan ordered all government assets in the United States frozen.

January 10, 1986

The Canadian government joined the United States in imposing economic sanctions on Libya to protest its support for international terrorism.

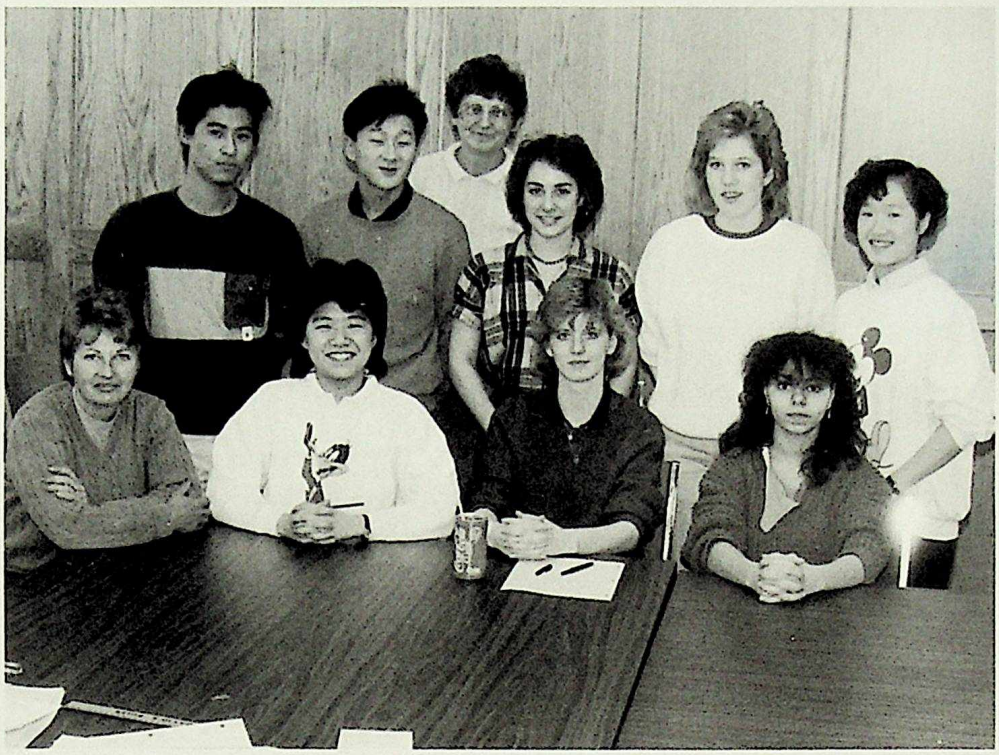
January 28, 1986

The space shuttle challenger blew up 75 seconds after take off, killing the seven astronauts aboard.

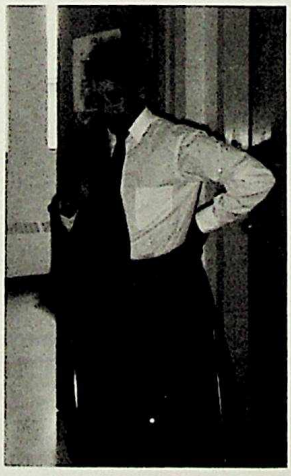
January 30, 1986

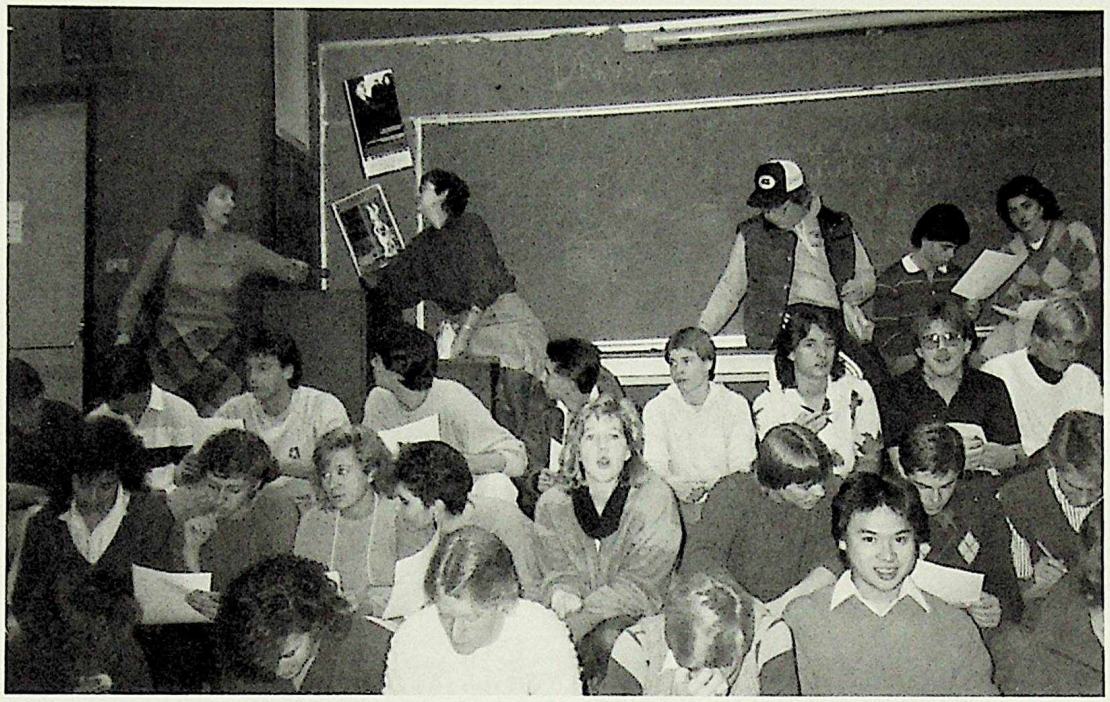
Deputy Prime Minister Erik Nielson confirms he secretly eavesdropped on Liberal caucus meetings in the mid-1960's. Prime Minister Mulroney rejected the opposition demands for Nielson's resignation.

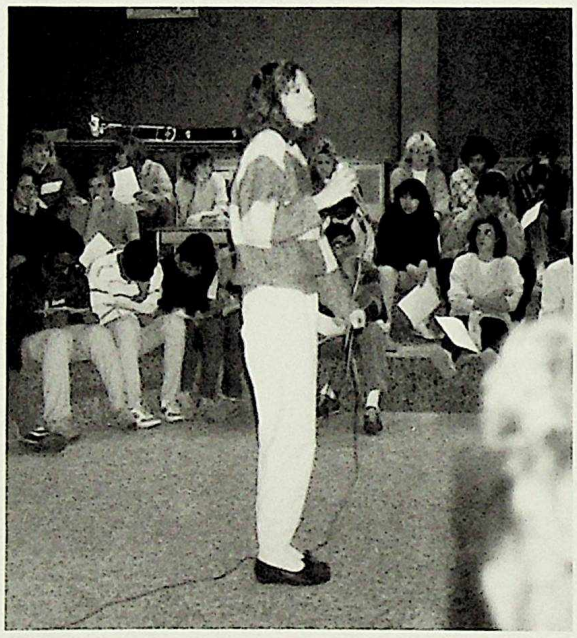
Senior Class Council



Back Row: Soo Kim, John Kim, Mrs. Kozak, Lorraine Sykes, Kris Toews, Rolinda Mack. Front Row: Mrs. Maguire, Jane Yi, Kim Oksanen, Asmaa Hassan. Missing: Mrs. Jaques.







This year's Senior Class Council consisted of students who strived to promote the graduation spirit of togetherness and make the last year of high school a special year. The year started with the making of a poster of the senior class. This was followed by the community event, the annual Pancake Breakfast. The council also plans to have a prom for the Class of 1986. Last but not least the Senior Class Council wishes the graduating class best wishes in the future. And Follow Your Road.

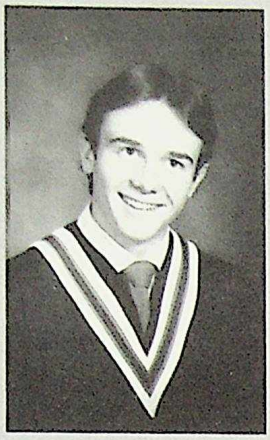
Mem — Friends, Dale Skoreyko Fan Club (Chem 20), Big Dave's Magic Math (Math 33), Dances, Big Gord's Woman, Noon Hour Beer Bashes, Going for Timbits, Skateboarding in the Hallways, Sound Connection, S.N.F.U. Gigs. AMB — to get out of High School Before 1988. To win 10 million dollars on Loto 6/49 and spend it on records.

Vernon Lemoignan

It was a great year except for having Chem first thing in the mornings. I wish success for all my friends and fellow students. For me the road to success and happiness is foggy, but getting clearer. I base this on the fact that I have already accomplished one of my goals in life, that being to convert WP, from a Montreal Canadian to an Oiler fan.



Keath Lengle
Kim O, Football 85, coming to McNally, Toga Dance Oct. 18/85, Track 85, surprise party, Grad '86, beer buddies DH, BB. Best friends a guy can have — ZM, AH, JK, DB, RK, YN, SK, CL, AE, TK, KK, JC, DH, DL, DS, TL. AMB: Nait and maybe become a Commercial Artist.

Guy Lenny

Tiger Trivia

1) Which teachers belong to the '40' club?
2) What is the new school mascot's name?
3) Which current teacher was the male athlete of the year at McNally in 1978?
4) Who was the original principal at McNally?
5) How many principals have there been at McNally (including the current one)?
6) THE LAST NAME GAME: for question 6 to 17 keep track of the first letter of the person's last name, except for question 6 where you need the first **2** letters.
6) This teacher left the social department to take on a higher position.
7) Big Al has a last name! Do you know what it is?
8) She is our devoted library assistant.
9) Which computer teacher actually walks home?
10) She is one of our devoted support staff. She is responsible for running off your tests.
11) This person is a very helpful yearbook staff member. She is usually wanting people to say "cheese".
12) His face adorned the student council coupons.
13) This person is the head of the English department.
14) Which teacher has a football conference named after him?
15) This person is one of the cheerful library assistants. She will be going with the Travel Club to Europe this year.
16) This biology teacher is new to our school. (Hint: she belongs to the '40' club)
17) He was one of two people to win a Tiger Award at the Pancake Breakfast this year. (gossip: he married a former McNally student)
18) What year was this school built?
19) Who was the school named for?
20) What is the Latin translation of "Nothing But The Best"?
21) What was the Senior football team's record this season?
22) How many students are on Student Council?
23) How many sports banners are there in the large gym?
24) Which year(s) had the least number of banners?
25) Who was the first McNally students to have the top mark for their grade all 3 years?
26) What school year did McNally receive the map of Alberta?
27) Who is the painting of the city skyline in the library dedicated to?
28) Why did this person receive the dedication?
29) Who painted the painting?
30) What human limb was found sticking through the staff room ceiling?

**Answers will appear in the Yearbook Supplement.

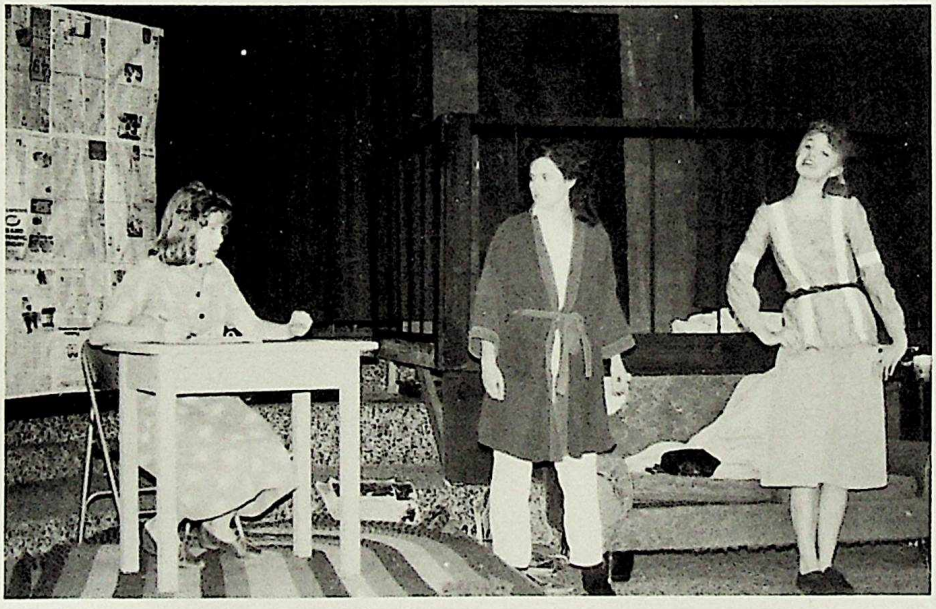
Drama Club

Left to Right: Quinn Ferguson, Trevor Nyroos, Fay Peterson, Ed McGowan, Owen Brierley, Klodyne Rodney, Kim Thew, David Dutton, Kathleen Lentz, Bill Mannerfeldt, Lisa Lowry. Missing: Heather-Lynn Swedberg, Sandra Sieg.

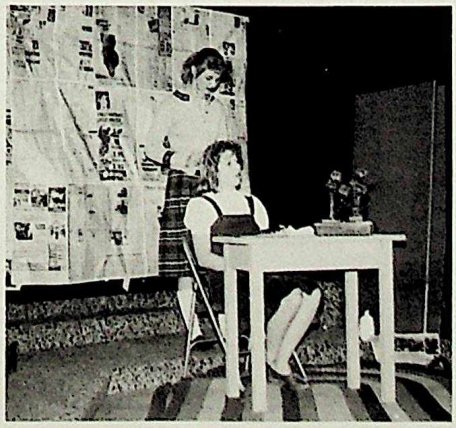
The Effect of Gamma Rays on Man-in-the-Moon Marigolds

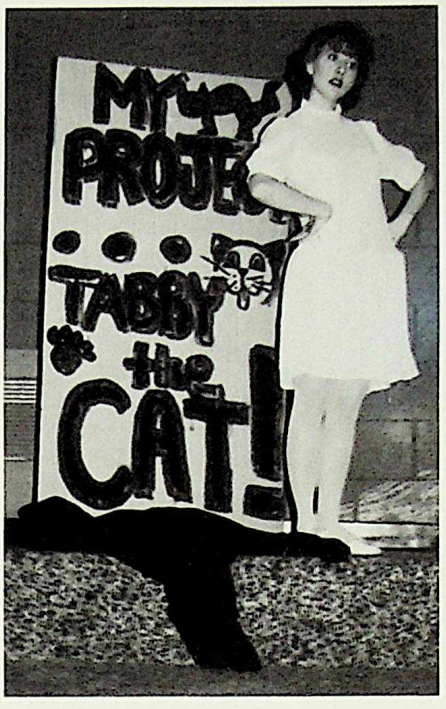


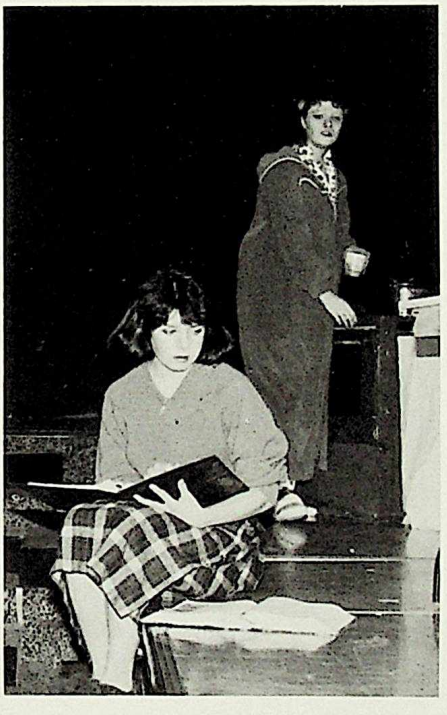
Cast (Wednesday)

Beatrice . . . . . Elaine Rowlands
Tillie . . . . . Kris Toews
Ruth . . . . . Cheri Holfeld
Janice . . . . . Jodi Clarke
Nanny . . . . . Stacey Hutchison
Directed by Kris Toews

This play was one of this year's big productions for the Drama Department. The actors consisted of people who were somehow related to Drama, whether it be by classes or by club. The details of technicals and the rest, were handled by the Drama 20/30 class.





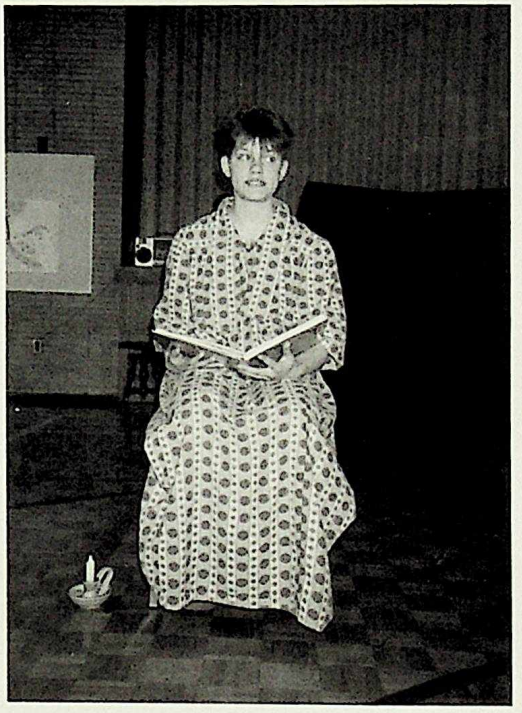


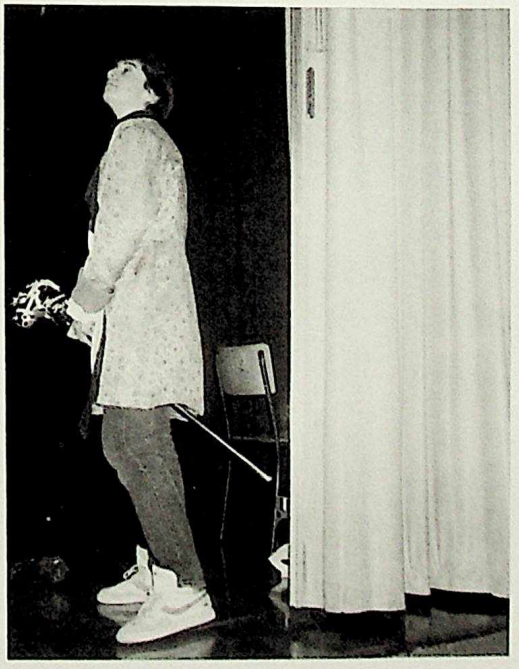
Cast (Thursday)

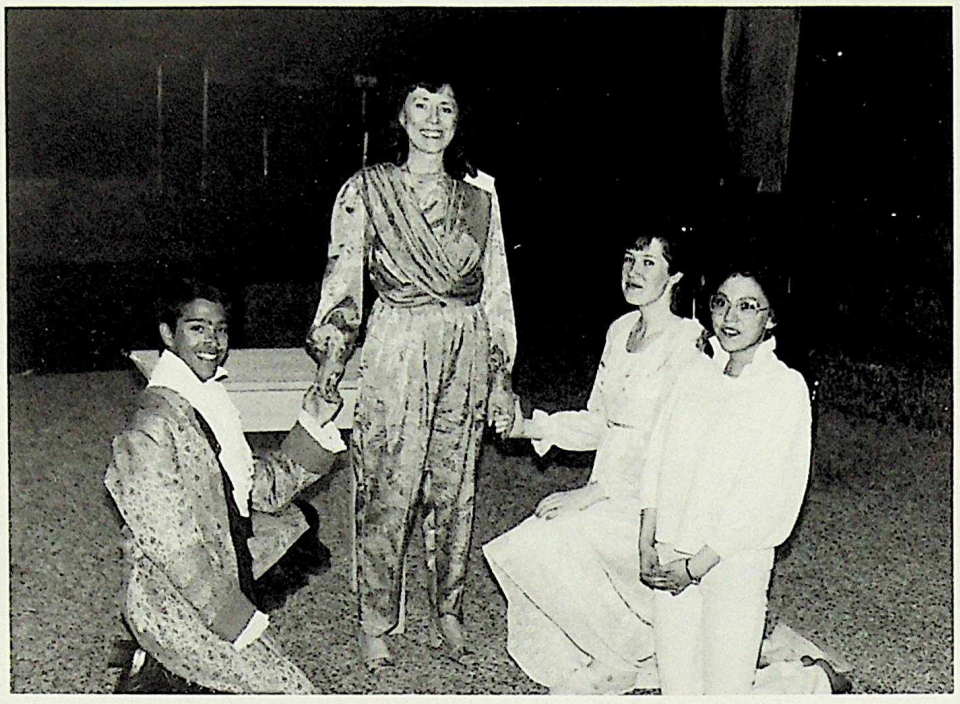
Beatrice . . . . . Kathy Horek
Tillie . . . . . Shannon Zwicker
Ruth . . . . . Kathleen Lentz
Janice . . . . . Sandra Sieg
Nanny . . . . . Lisa Lowry
Directed by Lisa Lowry

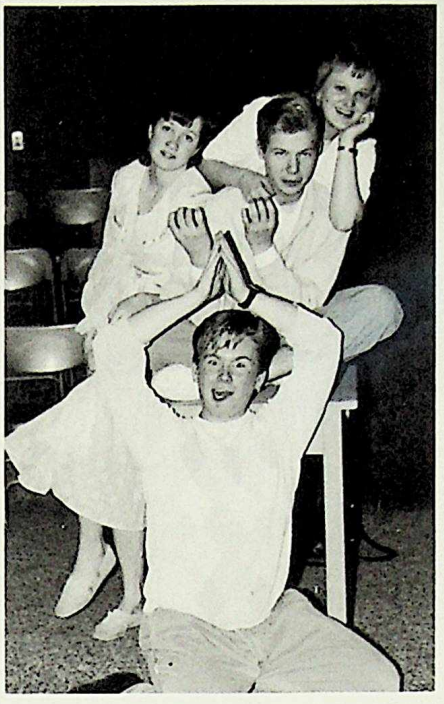
Witch Mendelin's Search for Power

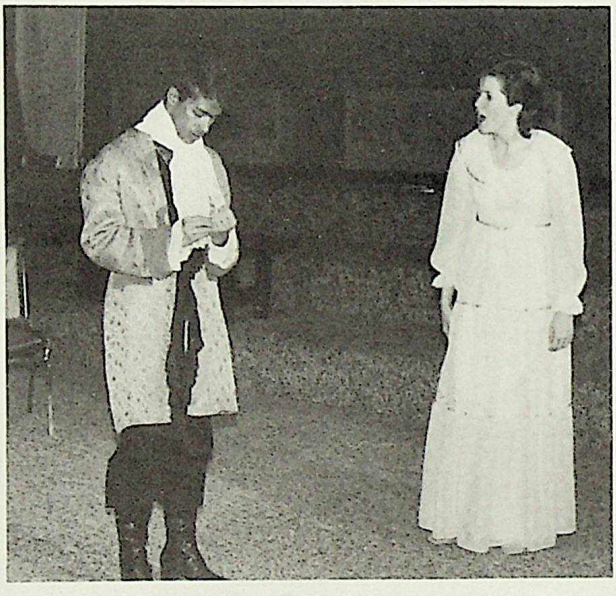
Sandra Sieg directed a Children's Theatre Production, "Witch Mendelin's Search for Power", which was written by Becki Bartlett. The play was performed in the surrounding elementary schools. Cast included: Stacey Hutchinson, Lisa Lowry, Mike Ewles, Charlene Bossert, Heather Hnatiuk and other extras. Thanks to Kathleen Lentz for technical help.

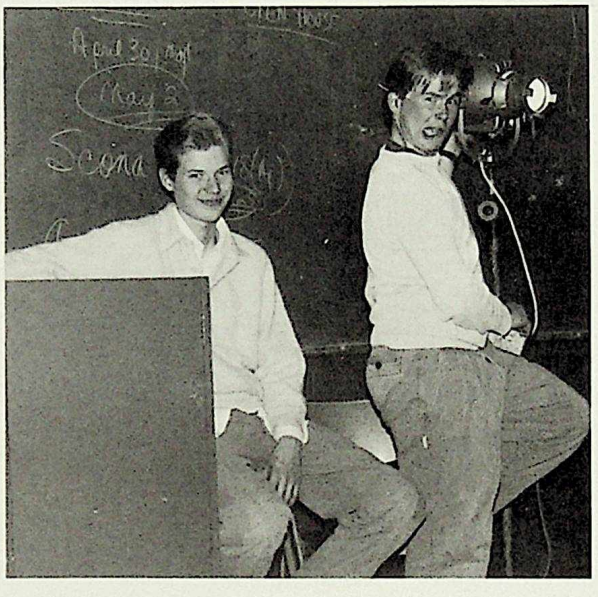


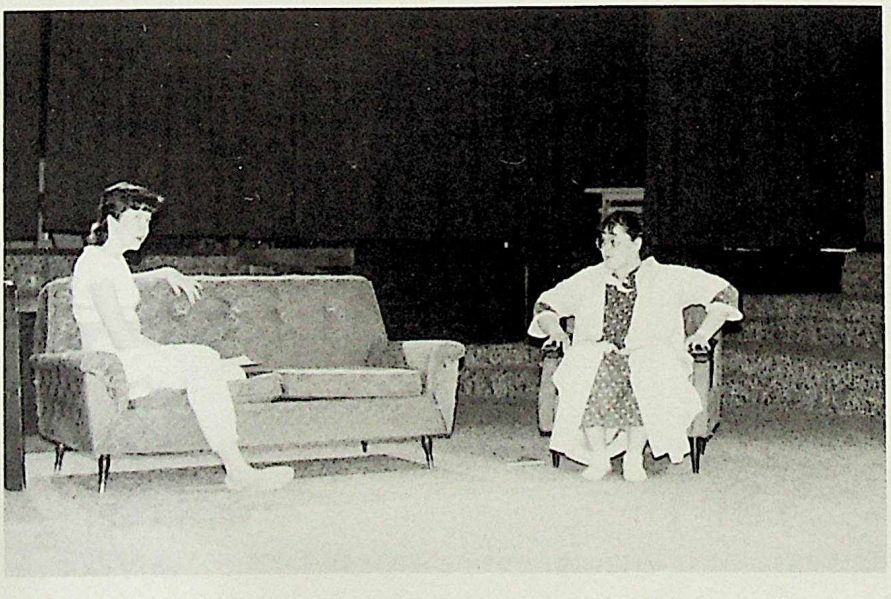


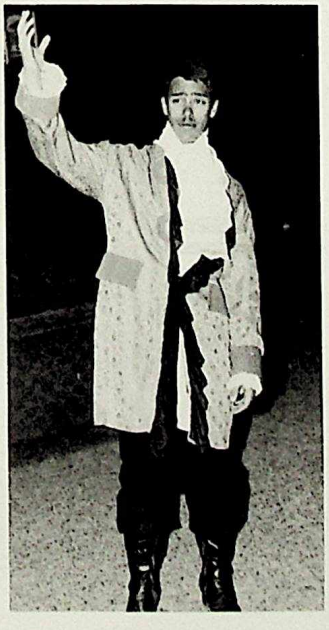




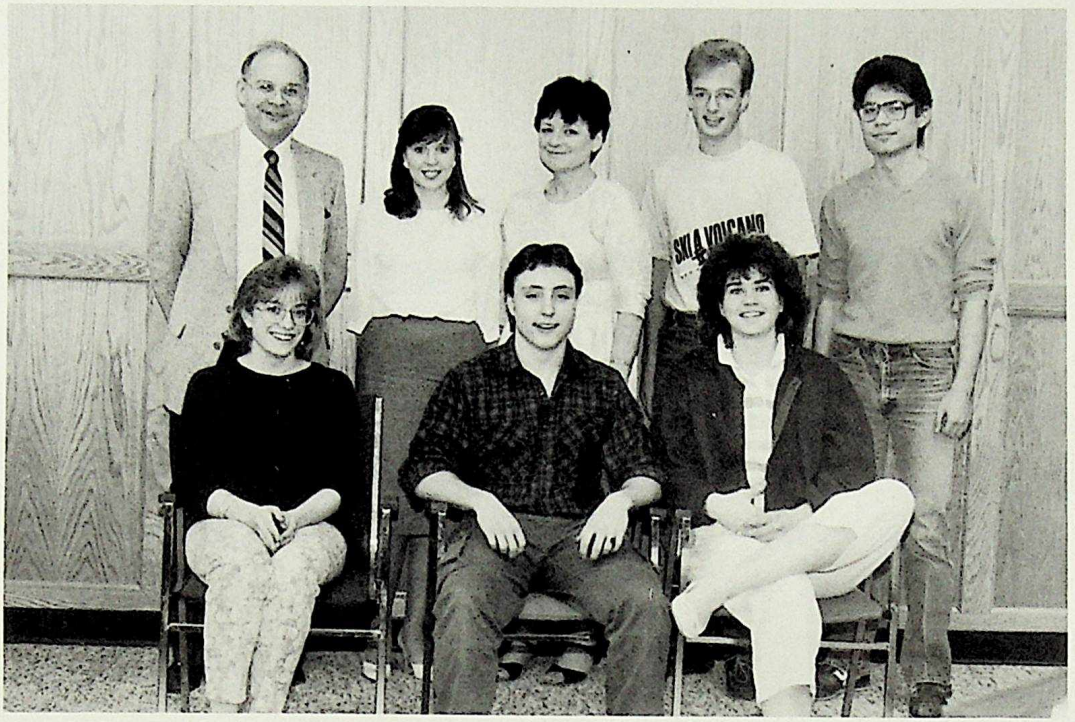








Awards Board

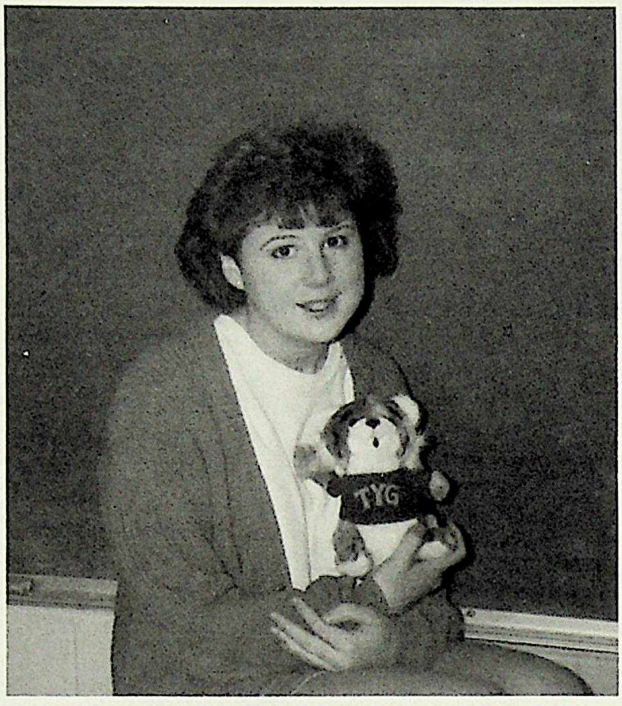


Back Row: Mr. McWilliam, Miss Bain, Miss Flenady, Gregg Shields, Brock Trenchard. Front Row: Jennifer Tupper, Bill Dinardo, Jennifer Morrison. Missing: Mrs. Romanychyn, Mr. Kunyk, Simon Gale, Mr. Johnston.

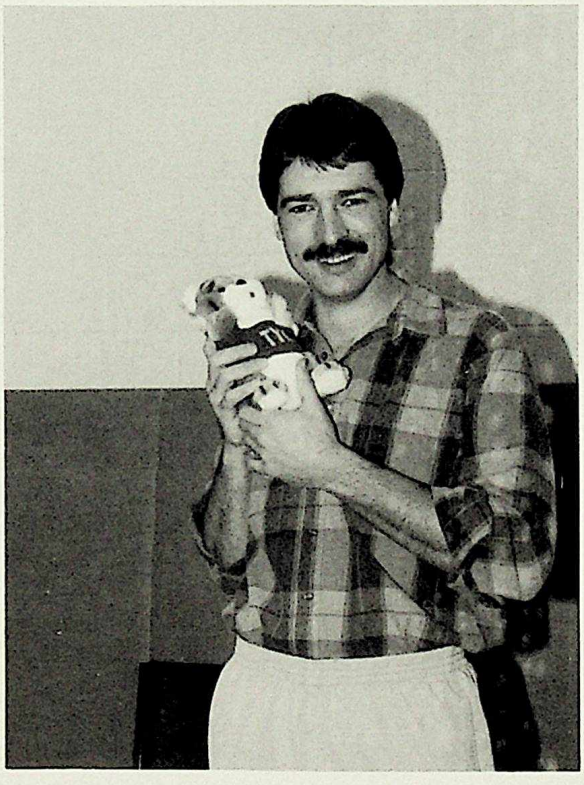
Tigger Awards

From time to time, the Awards Board, acting on recommendations from the students of McNally, select an individual for the 'Tigger Award'. The award is a small replica of a tiger which for many years has been used to typify the spirit of our school. The award is a way of giving public recognition to an individual who has performed valuable services for the student body and boosted school spirit.

September 1985
Sheri Kerychuk:
— a member of the school choir
— a member of the band
— led the national anthem at the September Pep Rally

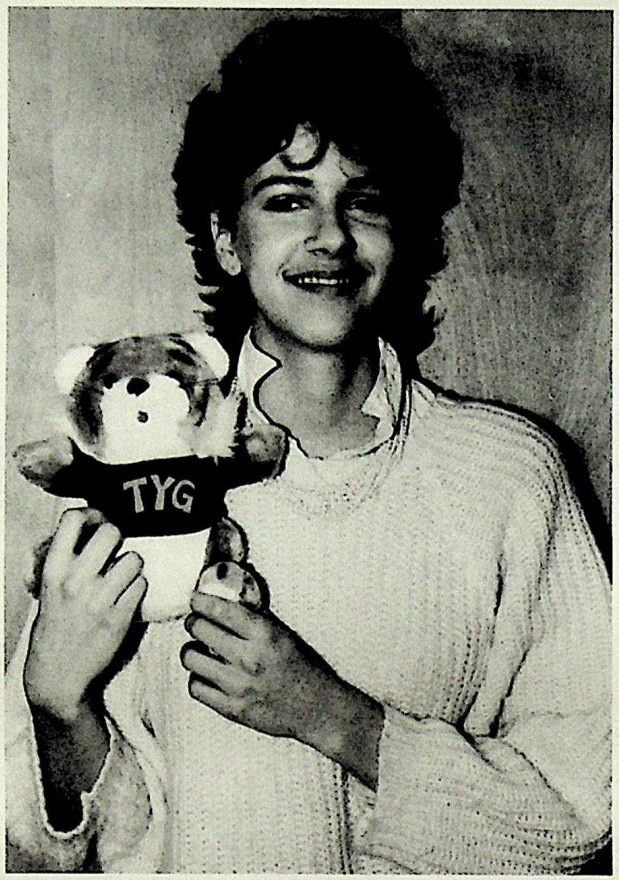


October 1985
Jennifer Saville:
— spent numerous hours coaching the Junior Cheerleaders
— a great booster of school spirit



November 1985
Mr. Dale Skoreyko:
— coached Junior Football
— willingly volunteered to participate in many school activities

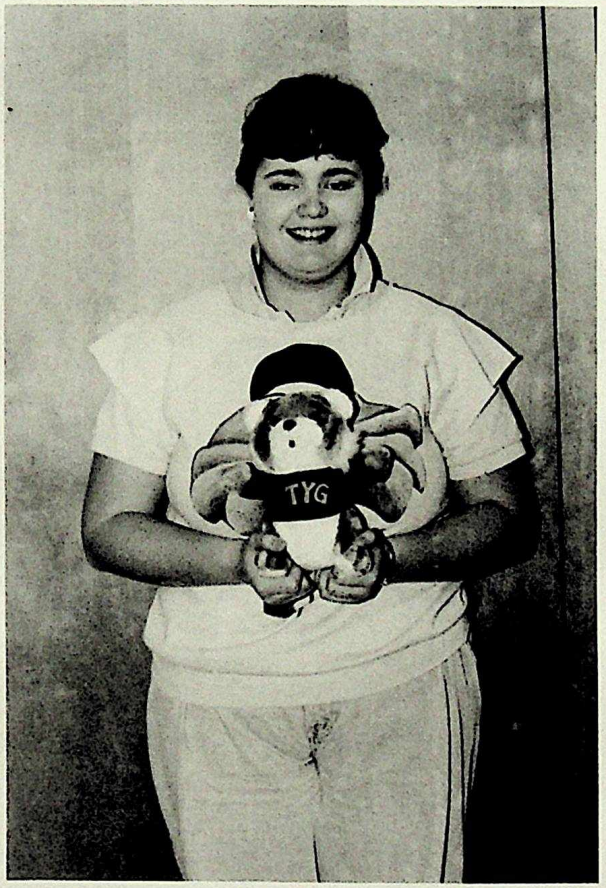
December 1985
Miss Marika:
— willingly supported school activities
— gave endless hours of her time to the Yearbook

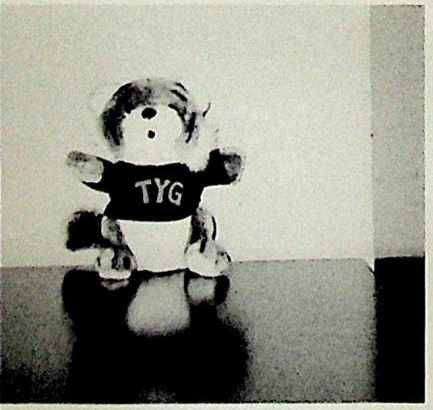


February 1986

Becky Bartlett:
— secretary of the Student's Union
— always ready to help out
— helped make many projects successful

January 1986
Sandra Lutes:
— voluntarily assisted the Student's Union
— Assistant Editor of the Yearbook
— an I.B. student
— an honours student

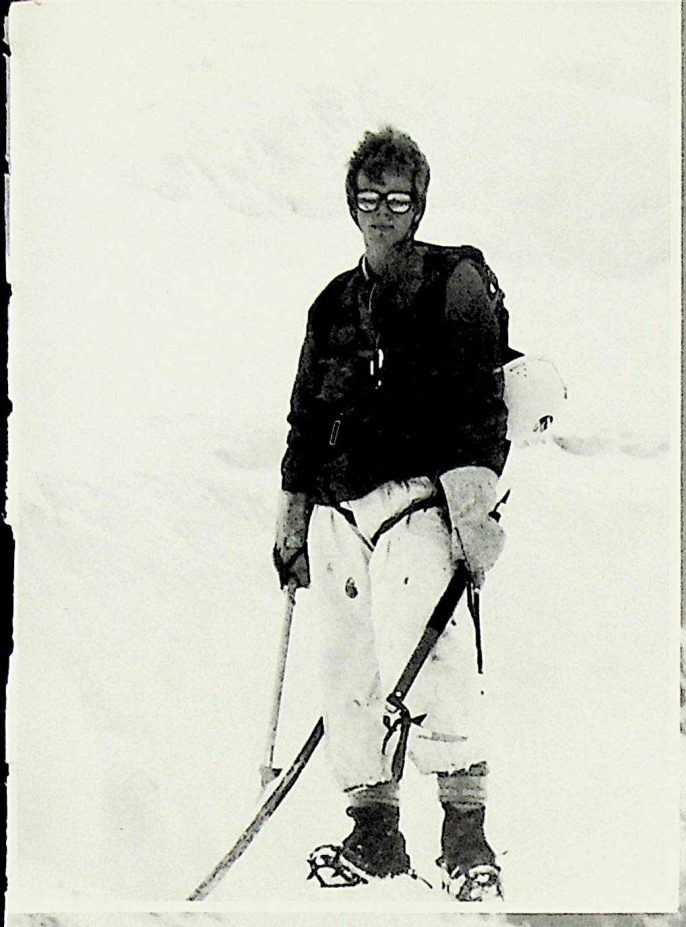




Dear McNallyites,

I have been sitting here for quite some time now waiting for a spiritious student to do something. If you feel so inclined you can participate in school activities, help organize these activities, belong to school clubs, teams or other such groups to somehow bring recognition to the school. If you get nominated by one of your fellow students, the Awards Board may just choose you to take me home.

TYG



In Memory of David Bennett McNally, 1982–1986

Stopping by Woods on a Snowy Evening

Whose woods these are I think I know.
His house is in the village though;
He will not see me stopping here
To watch his woods fill up with snow.

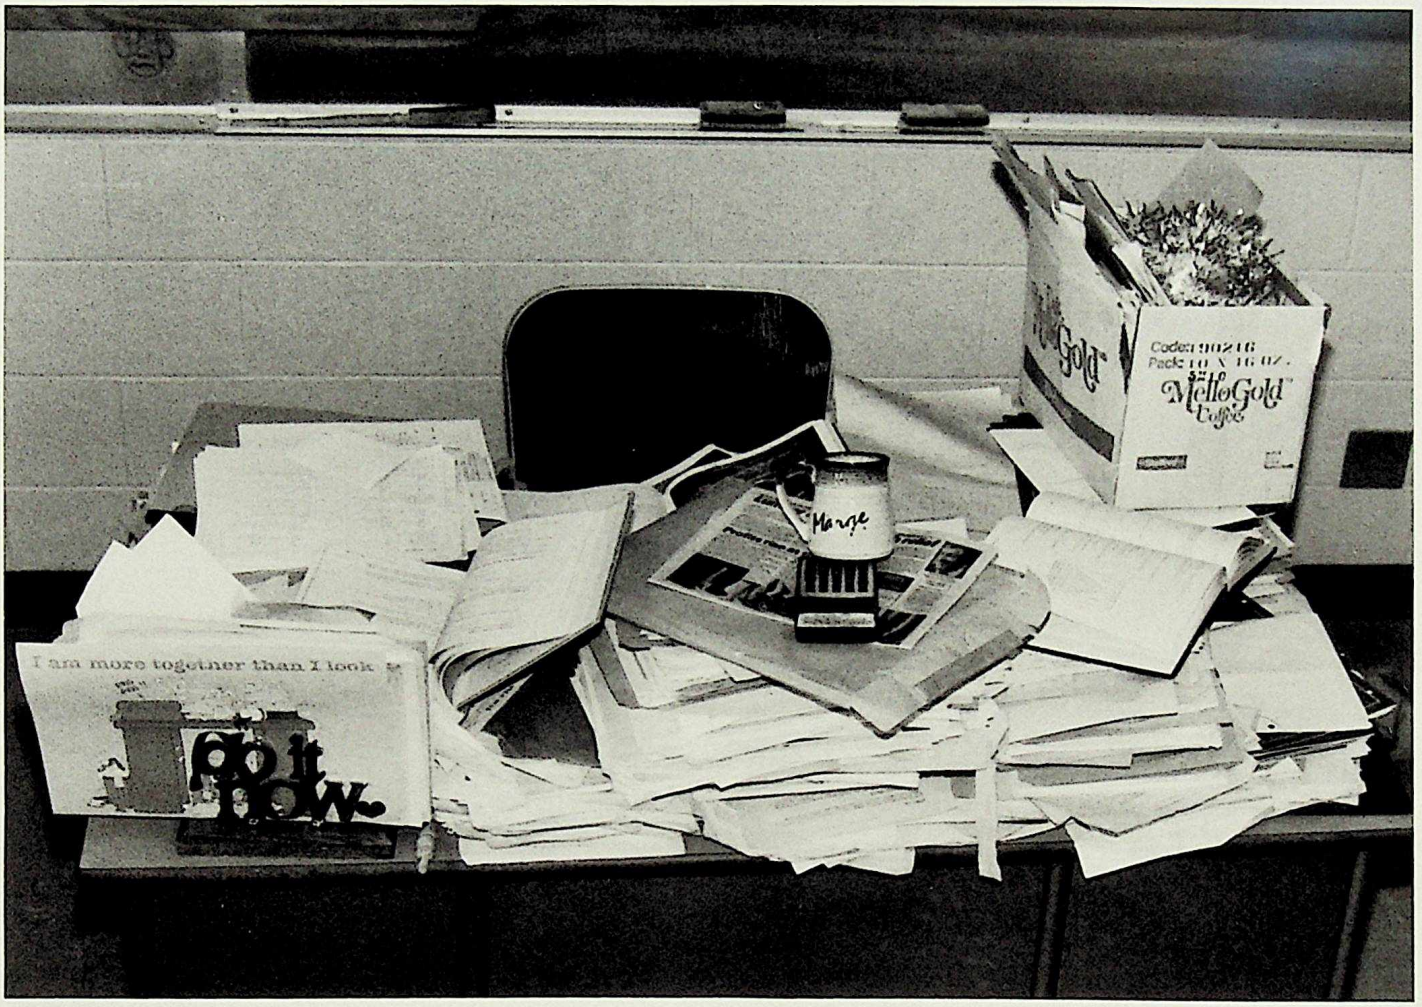
My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.

He gives his harness bells a shake
To ask if there is some mistake.
The only other sound's the sweep
Of easy wind and downy flake.

The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

— Robert Frost

11 Academy Award Nominations



Just when you thought it was safe to go back into the room . . . MARGE'S DESK, the movie in 3-D. Coming soon to a theatre near you. Starring Marge Marika, this horror movie is guaranteed to send you home with shivers down your spine. Some of the most terrifying scenes include former McNally students returning several years after their grad, hoping to find their Math 10 final exam marked. These students are absolutely heart-broken when their dreams of ever attending University are shattered — they may never know if they actually passed Math. Also, a minor earth tremor hits the city of Edmonton, causing an avalanche of the masses of books and papers, burying Miss Marika and creating a major earthquake measuring 7.2 on the Richter scale. Will Miss Marika be found alive? Who will be assigned the job of cleaning up the papers and eventually THE DESK?

Rated R There are extremely tragic scenes throughout.

Time is continually changing;
We can never capture it,
But the memories left behind are forever.
